The Bachelor of Science (B.S.A.T.) in Athletic Training Program provides students with the knowledge, skills, and abilities needed to evaluate, advise, and treat patients of any type and of all ages. Students learn how to help these individuals avoid injury, recover, and return to participation. During the program, students also complete a series of clinical experiences. These experiences may be associated with FGCU intercollegiate athletic programs, professional athletic programs, local sports medicine clinics, and local high school athletic programs. Graduates of the FGCU B.S.A.T. Athletic Training Program are eligible to take the Board of Certification (BOC) examination to become a BOC certified athletic trainer.

Program Accreditation

The Athletic Training Education Program is accredited by the Commission on Accreditation of Athletic Training Education (2201 Double Creek Drive, Suite 5006, Round Rock, Texas 78664; telephone number 512-733-9700). (http://www.caate.net)

Board of Certification

Qualifications necessary for earning certification can be found at the Board of Certification Inc. website: (http://www.bocate.org/).

Expenses

In addition to typical FGCU student cost, the Athletic training students can anticipate additional costs related to the following:

- Transportation
- Liability Insurance
- Laboratory and Clinical Uniforms
- Immunizations
- Criminal record background checks, CPR/AED, First Aid
- Membership dues for professional organizations

Additionally, full-time clinical education rotations occur during the program.
