

# FLORIDA GULF COAST UNIVERSITY

Experience The FGCU Effect

## TRANSFERRING TO FGCU

### WELCOME, TRANSFER STUDENTS

You are ready to make the change and want a smooth transition. We are ready to help you experience The FGCU Effect, the transformational impact this university offers students through small classes, the opportunity to work closely with professors on meaningful research and the chance to engage with other students and the larger community through clubs and activities.

### TRANSFER COURSEWORK

FGCU evaluates transfer courses taken at regionally accredited colleges and universities. Transfer students from non-regionally accredited Florida institutions may have a limited number of courses accepted. No credit is awarded for technical, vocational, physical education or remedial classes or courses for which a grade below D is received.

### ARTICULATION AGREEMENTS

FGCU participates in several Associate of Science to Bachelor of Science articulation agreements (which detail which courses are accepted for credit) for specific majors at several state/community colleges. To see which we have agreements with, go to [fgcu.edu/Admissions/Prospective/transferadmincriteria.html](http://fgcu.edu/Admissions/Prospective/transferadmincriteria.html)

### HOUSING

Our residence halls are modern and comfortable, offering single bedrooms grouped around living rooms and kitchens that allow for socialization and camaraderie. North Lake Village is conveniently situated on campus next to a lake and beachfront and close to academic buildings. West Lake Village provides a similar atmosphere, amenities and security a couple of miles from the hustle and bustle of campus. (A shuttle bus runs from the complex to campus.)

## FINANCIAL AID/SCHOLARSHIPS

FGCU participates in federal and state financial aid programs. In addition to grants, loans and work study, we offer approximately \$2 million in FGCU Foundation Scholarships annually. The Office of Admissions also offers Phi Theta Kappa (PTK), Eagle Transfer and Latin-American/Caribbean scholarships. (for international students)
