Small classes, professors who care, lots of research opportunities and a Division I athletics program are all elements that make Florida Gulf Coast University a great choice. But there’s more – a lush, natural setting, plenty of sunshine, modern housing and a host of activities to enhance your quality of life while you experience a high-caliber education. It’s a winning combination.

FGCU
WE’RE HERE FOR YOU. YOUR SUCCESS IS OUR TOP PRIORITY.

Smaller class sizes mean your professors know your name. You will have an opportunity to delve into research with those professors early in your undergraduate career. Our campus and surrounding community serve as a living lab, allowing you to learn through hands-on experience.

Programs like University Colloquium will teach you to look outside yourself and understand the natural world.

Service learning opportunities connect you to the community through volunteer work, experiences students say change them for the better.

The result: When you graduate, you’ll have the knowledge, skills and understanding you need to step confidently into the professional world.

“WITOUT THIS UNIVERSITY, I WOULDN’T BE THE INDIVIDUAL I AM TODAY.”

LIVE IT UP WHILE LEARNING.

With 15,000 students, FGCU is a lively and diverse community with a reputation as one of the nation’s safest campuses. Its 800 acres are nestled into the midst of a lush natural setting.

Life on campus begins in the state-of-the-art residence halls. For first-year students, South Village offers suite-style living with single bedrooms and shared baths plus the First Year Residential Experience, a program designed to help you successfully transition to the independent college life. North Lake Village features apartment-style living right near our lakefront beach and Alico Arena.

CHEW ON THIS.
There are 11 places to eat on campus:

- Azul’s
  Awesome burgers, chicken & flatbread sandwiches
- Blu Sushi
- Chick-fil-A
- Einstein Bros. Bagels
- Jamba Juice
- SoVi
  Our all-you-care-to-eat dining hall
- Starbucks
- Subway
- Taco Bell Express
- The Link
  Grab a coffee, pastry or a gourmet sandwich
- Truly Organic Pizza

South Village
Once the class work is done, it’s time to work off some steam. FGCU offers countless ways to do that, whether you prefer your recreation indoors or out.

Plunge into fun at the resort-style pool in South Village just outside the first-year residence halls. Swim laps at the Aquatic Center’s 50-meter and 25-meter pools. Or hit the waterfront where you can canoe, sail, kayak, paddleboard or try out the wake boat.

Sports clubs abound. Whatever your game, there are others who share your passion be it baseball or rugby, lacrosse or Quidditch, spearfishing, water polo or hockey. Clubs also include cosplay, fraternities and sororities, social justice, environmental causes, and about 180 others. If there isn’t a club for your particular passion, create it yourself.

Eagle spirit is personified by the Dirty Birds - the highly active fan club for our 15 nationally competitive athletic teams. Celebrate the victories of our championship basketball teams and our hard-driving baseball, soccer, volleyball and swimming and diving teams.

Culture abounds at the Arts Complex with its galleries, theater and concert hall. Movies, shopping, restaurants, clubs and the Gulf of Mexico are all just minutes from campus. And spring training brings both the Boston Red Sox and Minnesota Twins to town.

FGCU’s admission decisions are based on the projected academic success of students as determined by their grade point averages and standardized test scores. Students holding Associate of Arts (AA) degrees from Florida public universities or state/community colleges will find transferring to FGCU seamless. Those transferring from other institutions will have coursework credited on a course-by-course basis.

- **Minimum admission standards are determined by the applicant pool and available space.**
- **Meeting these requirements does not guarantee admission.**
