  - Must be completed within first twelve hours of enrollment (1st or 2nd semester)
  - Student must continue enrollment in a remedial course in subsequent semesters if not successful the first time

  - Apply as a non-degree seeking student at community college (i.e. Edison)
  - Register for course through college’s Registrar (usually needs to be done in person)
  - *For more detailed instructions on this process, contact First Year Advising*

- **Consequences:**
  - AF Hold on account until remediation is fully completed
  - Will have specific registration periods where hold is lifted (a week)
  - All schedule changes after this hold is reinstated must go through Advisor
  - If remediation has not been met after two semesters at FGCU First Year Advising will limit your registration for your third semester enrollment.
