1. Meeting minutes of August 30, 2012 were reviewed and approved.

2. Management provided UFF the Management Proposal #7 Article 17 – Leaves as a counter-proposal to the UFF Proposal for Article 17 provided to Management on 08-30-12. The parties reviewed and discussed the language in the Management proposal.

4. Management provided UFF the Management Proposal #6 Article 23 – Salaries as a counter-proposal to the UFF Proposal for Article 23 provided to Management on 08-30-12. The parties reviewed and discussed the language in the Management proposal.

5. Management provided UFF the Management Proposal #2 Article 24 – Benefits as a counter-proposal to the UFF Proposal for Article 24 provided to Management on 08-30-12. Management provided UFF with a copy of the UBOT Agenda for the October 6, 2004 meeting and included a copy of Item: C6 Tuition and Fee Voucher Policy. The parties reviewed and discussed the language in the Management proposal. Management indicated a willingness “to develop language to develop a policy on domestic partners if we can get an agreement on the total contract we are looking at. We have an interest in continuing that discussion.” UFF said they appreciated the “offer on domestic partner benefits and are interested to see the language that you have to propose before we can agree to anything else.” UFF also indicated that there is “an outstanding grievance on one part of the contract and we have a potential unfair labor practice on another” so it is not likely that “we are going to reach agreement on a package. So, if you are using that as a way to leverage us to not file the unfair labor practice or
to withdraw the grievance, that can't happen. UFF stated that Management should “bring forward some proposal and then we can consider it. What you’re asking us right now to do is buy a pig in a poke – and that’s to give up the Unfair Labor Practice, the grievance and everything else we want based on your willingness to craft language [on domestic partner benefits].”

6. The next bargaining session is scheduled for Tuesday, September 18, 2012. The UFF Team is expected to provide a response to the Management proposals for Articles 17, 20, 23, and 24. In addition, the parties will consider scheduling additional bargaining sessions for the month of October.
