FLORIDA GULF COAST UNIVERSITY

FACULTY GOVERNANCE STRUCTURE AND PROCESS

Mission

The purpose of faculty governance at Florida Gulf Coast University is to safeguard academic quality, promote effective and open communication, insist upon academic integrity, emphasize rights and shared responsibilities of students, staff, community, faculty, and administration, and sustain a dynamic learning environment. This mission is accomplished through a system of collegial faculty self-governance ensuring that the rights of faculty are supported and faculty responsibilities in fulfilling the mission of the university are properly executed.

Vision

The faculty governance process at Florida Gulf Coast University is dedicated to the principles, concepts, and objectives of the University mission and vision.

Guiding Principles

The Faculty Senate is an autonomous body representing the collective opinion of the FGCU faculty to the administration and community.

The faculty governance structure enhances representation for all faculty members in the governance of the University.

The Faculty Senate promotes the rights and responsibilities of faculty with respect to:

- quality teaching and learning;
- pursuing research and scholarly activity;
- providing service to our local, regional, national, and global communities; and,
- preserving and defending academic freedom.

Faculty governance requires coordinated faculty representation on university-wide committees and task forces to provide input and oversight in faculty affairs and recommendations concerning student, staff, campus, community, and administrative affairs.
The Faculty Senate engages in collegial dialog with the President of the University, the
Provost/Vice President for Academic Affairs and others in positions of administrative
leadership in order to pursue and refine the mission of the University. Collaborative and shared leadership among all university constituents is critical to creating a campus environment conducive to advancing student achievement. Fairness, mutual respect, continuous improvement, an informed faculty, and collegial decision-making are the hallmarks of the governance structure.

The faculty governance system encourages transparency and reasoned discourse. To accomplish these principles, the Faculty Senate shall authorize inquiry into and propose policy relevant to FGCU’s mission, vision, and guiding principles.

Article 3. Faculty Senate

Section 3.01 Role of the Senate

The Faculty Senate is the decision-making body for FGCU faculty governance. The standing teams make recommendations to the Senate, which has final authority. The Senate may enact resolutions on any matter affecting the academic mission of the University, and speaks for the faculty on matters of concern.

It is the responsibility of the senators to communicate with and get feedback from the constituents in their unit. The means of communication is determined by the senate representatives in each unit.

Section 3.02 Membership

(a) Membership of the Faculty Senate is allocated as follows:

(i) Each Academic Unit is allocated a minimum of two Senators

(ii) Additional membership will be allocated as follows:

1. On March 1, the total number of full-time faculty employed at the university, and the number of eligible faculty in each academic unit will be determined by the officers of the Senate.

2. The number of additional Senators per unit is determined by the formula:
3. The result of the formula is rounded off to the nearest whole number.

(b) The Vice President of the Student Government Association (SGA) or his/her designee is an ex officio member of the Senate.

(c) The term of membership for Senators is two years; Senators may be re-elected by their units. In the case of contract expiration and non-renewal, the academic unit replaces its Senate and team members as discussed in section 3.02(h).

(d) Approximately half of the Senate seats for each unit will be elected each year. If the provisions of section 3.02(c) above cause a significant imbalance in the number of seats elected each year, the Senate is authorized to take temporary measures to redress the situation without amending this faculty governance document.

(e) Each academic unit may elect one or more Alternate Senators. No unit may have more alternates than regular Senators, unless it has only one regular Senator. An alternate cannot represent more than one Senator from her/his unit at a meeting, and is expected to indicate whom (s) he is representing when (s) he signs in for each Senate meeting. Alternate Senators will have voting rights in place of the Senators they are representing.

(f) Senators may arrange for a proxy to represent them at a Senate meeting. A proxy shall be defined as a present senator (or alternate) who is authorized to vote for an absent senator on a specific issue. The absent Senator seeking a Proxy to represent his or her vote on eligible matters shall be considered present by proxy. A proxy does not necessarily have to be in the same college as the absent senator. To designate a fellow senator as a proxy, the absent senator shall send an email to the senate secretary and the substituting member to confirm proxy status and identify proxy status to the leadership team. The substituting Senator shall vote as the absent Senator directs him or her to vote. A proxy cannot represent more than one other Senator at a meeting and is expected to indicate whom s/he is representing when s/he signs in for each Senate meeting.

(g) Senators who have not arranged for their Alternate Senator (or proxy) to represent them at a Senate meeting are considered absent from that meeting. A Senator who is absent from
or who designates a proxy for three or more Senate meetings in any one semester is considered to have resigned.

(h) In the event of the resignation of a Senator or Team member from his/her seat, the faculty of the respective academic unit will name a replacement Senator or team member to fill the seat until the next regular election for that seat. The faculty of the respective academic unit decides the method for replacement.

Section 3.03 Officers of the Senate

(a) Each spring, the Senate elects a President, a Vice President, a Secretary, and a Parliamentarian for one-year terms which begin the following fall semester. The President-elect will share duties with the outgoing President over the summer to facilitate the transition process. If any officer is unable to fulfill his or her term, a new election process must be scheduled for the next Senate Meeting, following the procedures in 3.03 (f).

(b) The President facilitates Senate and Leadership Team meetings, represents the Senate at the State organization, the Advisory Council of Faculty Senates and the Dean’s Council. accordance with the FGCU Faculty Governance Document.

penultimate meeting of the spring term. Candidates for President will have the option of
presenting a statement of no more than two minutes to the Senate at the last meeting.

At the final meeting, following the presentations by candidates for President, the election
for President will be held. Nominations for Vice President, Secretary, and
Parliamentarian will be taken and elections held for offices in that order. The election
process will be managed by the Parliamentarian. In the event that the Parliamentarian is a
candidate for an office, the election process for that office will be managed by the
highest-ranking officer who is not a nominee for that office.

associate or full professor or librarian who has completed one academic year of service in
the FGCU Faculty Senate before the start of the term of office can be elected as the
