Dear Colleagues,

The results of the Survey of Faculty Perceptions of Chairs’ and Deans’ Performance should now be available on your college’s/unit’s share drive in a folder called “FPCDP-Reports.”

These results are the culmination of a cooperative effort between the administration and Faculty Senate. Importantly, this initiative would not have happened without the active support and partnership of the Chairs and Deans themselves, and we commend their ongoing participation in this process. We look forward to continuing to provide this type of valuable professional development feedback in the future and to improving both the survey instruments and methods of delivery in continued partnership with all involved.

Sincerely,

Ronald B. Toll
