| Review new student code of conduct; incorporate issues of student on and off-campus issues pertaining to treatment of faculty | - Dr. Rollo will send "new" adopted language to SAT for review.  
- Team will discuss language.  
- Team suggests a classroom management workshop for faculty presented by university. | A recommendation will be made to faculty senate regarding adoption of the proposed language by end of fall semester. | all |
| Consider revisions to Student of the Year Awards | - Barb will send current standards to SAT  
- Draft language for suggestions of revisions  
- Look at what other universities do  
- Bring forward recommendation to faculty senate | A recommendation will be brought forward to faculty senate by end of year so new criteria can be implemented in AY 2012-2013 | all |
| Review academic warning system and amnesty systems | - Get as much input as possible from various groups.  
- Review recommendations put forth by academic advisors  
- Get input from athletics  
- Find out what group makes the decision about the academic standards. Who puts it in the catalog?  
- Continue to explore amnesty | A recommendation will be brought forward by end of year if it is appropriate for SAT to do so. | all |
