Florida Gulf Coast University
Office of Housing & Residence Life

Commitment to Wellness Community

Please review the following conditions associated with the Wellness Community and retain this for your records:

In accordance with the Terms and Conditions of the Housing Agreement, I understand and agree that by accepting such an assignment in the Wellness Community, I will abide by the following conditions:

1. I will participate on a regular basis in the ongoing educational programs that are offered in my building to develop and maintain my own personal wellness and that of my living community.

2. I will participate in the assessment and evaluation processes developed by the Office of Housing and Residence Life to help further my own wellness and the development of this program.

3. I will abstain from the use of alcohol, tobacco, prescription drugs which are not prescribed to me, or illegal drugs while in the Wellness Program. I will not allow my guest(s) to possess and/or consume alcohol, tobacco products or illegal drugs in my apartment.

4. I will not be involved in any alcohol/drug related disruption in the housing community.

5. I will not display or be in possession of any materials that symbolize the support, encouragement or use/abuse of any substances within the community. This includes, but is not limited to (a) displays of empty alcohol containers; (b) advertisement such as neon signs, posters, or billboards; (c) drug paraphernalia.

5. I will take responsibility for my behavior, will confront persons violating the community norms, and will report these to the residence life staff.

6. I agree to abide by university/housing policies. If I am found responsible for violating university/housing policies my status as a member of the Wellness Community will be reviewed by the Office of Housing and Residence Life.

I understand that failure to comply with any of the above policies and all other policies and procedures set forth by Florida Gulf Coast University may result in one or more consequences: student conduct referral; removal from the special interest community with room reassignment to be determined by the Office of Housing and Residence Life; the loss of the ability to reapply for this specific community for the next academic year.
