1. Review and discuss the FGCU Internal Scan -

Reviewed and discussed the FGCU Internal scan. Identified both internal and external S-W-O-T's related to information resources and technology for consideration in the development of the FGCU 2015-2020 Strategic Plan as well as the 2015-1020 Strategic Plan for Technology.

2. Old items –

Technology directors continue to gather information for the Educause Core Data Services annual survey due October 17, 2014.
