PBC/Environmental Sustainability Committee
October 6 noon – 1:00 pm

In attendance: Lewis Johnson, Patricia Rice, Mike Savarese, Tony Barrington, Simeon Komisar, Jim Hehl, Shelby Gilbert,

Guests: Pete Lefferts

The committee members discussed the Sustainability strategic goals for the University Advancement division with Dr. Lefferts. Dr. Lefferts presented an overview to the ESC on how the Foundation, University Advancement, and the University interact with each other. The ESC will research current lists and benchmarks for sustainable industries. Dr. Lefferts will inquire with the Foundation Board’s consultant about a guideline for what a policy of considering sustainability in the Foundation’s investments will look like.

The ESC chair will solicit ESC members to form an ad Hoc committee to indentify existing lists and benchmarks for sustainable industries.
