Environmental Sustainability Committee Notes February 8, 2012
Holmes Engineering Room 109
9:30 – 10:30 am

In attendance: Sarah Davis, co-chair; Sim Komisar; Mike Savarese; Hulya Yazici; Shelby Gilbert; Keishla Negron-Acevedo

Absent: Lewis Johnson, co-chair; Lisa Paige; Peter Corcoran; Jim Hehl; Tony Barringer

Notes: Kathleen Crawford

Approval of minutes from 1/25/12 Sim moved to accept, Shelby 2nd, no changes, passed unanimously.

Sustainability Goal Setting Discussion Continued – Add goal for Colloquium to continue with university-wide support for the proportional commitment across colleges in teaching colloquium with continued financial support.

Question arose - Do we have conservation areas in our goals? Define how conservation lands can be used. Is there developable land that can be conserved? How is existing use impacting habitat function? What kind of habitat do we want to create?

The Next Step
Next Meeting is Wednesday February 22, 2012.
