1. Approval of minutes from 10/27/11 – Sarah moved to accept, Keishla 2nd, passed unanimously.
2. Update on Trails – Sarah updated the group about the wet trail clean up on November 5th. Cleared trail and removed many exotics.
3. What does the University expect from staff re: sustainability? Lewis presented a draft flyer/brochure which will inform any staff member on campus what their role in FGCU’s environmental practices and sustainable actions should be. Received additional recommendations from the committee.
4. The Next Step – The Presidents’ Climate Commitment reporting has changed and in January we will need to give hard dates as to when the university will achieve climate neutrality along with dates for anticipated milestones.

Next Meeting is Thursday December 8, 2011 back to 2:00 pm, same location.
