1. Approve summary from Feb 20 meeting approved
2. SPIEC report. Dave reported that the Tech fee is part of the Budget priorities Report, which will be reviewed at the VP level. Steve M. offered to attend an IRC to address any outstanding questions concerning the Tech fee. The IRC has no additional questions.
3. Update the Technology Plan (All)
4. New items
   a. Property – Current policy and practices are creating an undue burden on technology departments. It is not clear who is responsible for inventory of attractive times under 5,000. Invite the Property head to next IRC meeting to hear our concerns.
   b. Group discussion on document Pat submitted for Technology for Classrooms of the future. Mary will remind Charlie to reply to Pat on the parts that have his name on them.
5. Next Meeting

Will work on technology plan update, priority list and benchmarks for next week’s meeting.
