1. Review of Minutes from the Previous Meeting – 3.21.12
   a. Minutes approved as kept.

2. Old Business:
   a. Issue as requested by Provost Toll--Given the probable lack of PECO funds for new buildings and/or renovation projects, how can FGCU best facilitate the best of use of classroom and office space that is currently available to FGCU and still maintain quality facilities and programs?
   b. Comments and considerations on the above issues from the 3/14 and 3/21 recent meetings were received from the following SFC members--
      • B. Blood
      • S. Blanchard
      • M. Banyan
      • P. O’Connor-Benson
      Please see their e-mailed information.
   c. Additional comments from Sue Snauwaert were received regarding classroom utilization as requested by B. Genson.

3. New Business:
   a. Discussion took place regarding recommendations for better space utilization of classrooms for the fall semester, 2012. At this time, there was no finalization of such recommendations, however, Co-Chair Genson will be looking for the SFC to finalize classroom utilization recommendations at the May 9, 2012 meeting. Such recommendations will then be submitted to the Planning & Budget Council for further review.
   b. R. Rodrigues – Space Coding Committee Report

4. Next Meeting: May 9, 2012, AB5-210 at 3:00 p.m.
