Co-Chair’s Report

Paul reported that Provost Toll would provide an update on progress toward meeting goals of the SP in the area of Academic Affairs. He noted that Joe Shepard had been rescheduled to provide his report at the next meeting of SPIEC on March 16. He said at that time the Committee would also begin its review of action plans for the coming year submitted by the academic and administrative units of the university.

SP Plan Progress Report: Provost Toll

Paul turned the committee’s attention to Provost Toll who was attending the meeting to brief them on progress toward fulfilling SP Goals that fell under the area of Academic Affairs. His remarks are included in an attachment to this report.

Updates from Committee Co-chairs Present

Due to time constraints Paul postponed the co-chair updates until the next meeting.

Next steps

Paul noted the next meeting is scheduled for March 16 where VP Shepard will address progress on the goals and actions assigned to his area of responsibility.
