Florida Gulf Coast University Board of Trustees
June 17, 2008

SUBJECT: President’s Performance Measures for July 1, 2008 – June 30, 2009

PROPOSED BOARD ACTION

Approve proposed measures.

BACKGROUND INFORMATION

The Florida Gulf Coast University Board of Trustees is required by law to annually evaluate the performance of the FGCU president. Historically, the board of trustees first conducted such a review at its June 2002 meeting, followed by the fall 2002 negotiation and approval of an employment contract for then President Merwin. President’s performance measures for 2002-03 were subsequently adopted by the FGCU Board of Trustees, and were used as the basis for the Board’s annual evaluation of the president during its May 29, 2003 meeting. Each year thereafter the board has conducted such a cycle of goal-setting tied to the university’s strategic plan followed by a review of performance one year later.

This will be the first set of goals specifically to guide President Bradshaw’s performance. These measures will serve as the basis for the president’s June 2009 evaluation.
