SUBJECT: FGCU Foundation Board Bylaws Revisions

DATE: August 20, 2014

On behalf of the Board of Directors of the Florida Gulf Coast University Foundation, please accept the attached revised Bylaws for consideration by the FGCU Board of Trustees.

The most significant changes within the bylaws include:

- Removed officers of the university as ex officio board members (with the exception of the President).
- Extended officer appointments to two years, with the option for a one term extension of two years.
- Revised the Membership Committee, including making it a standing committee of the Board, adding the Chair to the Executive Committee, changing its responsibilities and makeup, and changing the name to Nominating and Governance Committee.

Additionally, the Committee:

- Added a purpose statement to the Bylaws to define the purpose of the FGCU Foundation.
- Added expectations for Board members with respect to participation, attendance and giving.
- Formally added two ex officio members to the Board, including the current chair of the FGCU Alumni Association, and the current chair of the Eagles Club Advisory Board.
- Modified language on participation in Board meetings by the public, to be more aligned with the Sunshine Laws.
- Significantly reduced the Conflict of Interest Policy. Now, the COI policy will reside alongside the bylaws but not within. We have modified that document as well.
- Modified the signature authority on checks from the Foundation to enhance operational efficiency.
- Clarified the role of the Executive Committee - now a standing committee with clear membership.
- Included a general statement about the relationship of the Foundation with FGCU.
- Proposed other minor language and editing changes.

The Foundation Board believes these changes strengthen the bylaws of the FGCU Foundation and position the Foundation for continued growth and success. The FGCU Foundation Board approved these revised Bylaws via electronic vote in August 2014. We recommend that the FGCU Board of Trustees also approve these changes.
