Message from Florida Gulf Coast University Police Department

The staff of the University Police Department is pleased to provide the 2010 Campus Security & Fire Safety Report. The purpose of this guide is to provide important information concerning your safety and security on campus. This information allows students, faculty and staff to be informed and involved in making decisions about personal safety.

The goal of all members of the University Police Department (UPD) is to work with all who comprise the FGCU community to provide a safe and secure environment that allows all to achieve their academic goals and enjoy the college experience. This means offering a variety of crime prevention efforts, insuring safety for vehicular and pedestrian traffic, assisting in coordinating special events, and providing reliable high quality professional service at all times.

The UPD staff will strive to surpass your highest expectations, but your participation is needed. Removing the opportunity for criminals by locking your campus residence, removing valuables and securing your car, utilizing the shuttle service or after hours escort service if traveling alone, increasing safety by driving cautiously and defensively, and finally by acting responsibly and respectfully to others, will assist in making the campus as safe and friendly as possible.

The UPD staff is here to assist. If we can be of any assistance, please contact any UPD member you encounter on campus or call, 590-1900. Additionally, please check our website for helpful hints and information. Together we can make everyone’s FGCU experience a positive and enjoyable one.

Crime Prevention Education and Awareness

Community Policing/Outreach
By increasing the interaction of officers with students, faculty and staff, a team approach is desired to reduce the opportunity for crime and improve reporting and solving of crimes that do occur. Officers are assigned to specific units of housing to increase interaction with students, as well as being assigned to various sports and clubs. These officers are also available to provide or arrange general crime prevention seminars, distribute literature, conduct problem solving activities, and other activities to help develop a substantive relationship with members of the community.

Personal Safety
Police Department members provide personal safety information at each new student and employee orientation. Security surveys or other presentations are offered upon request to any group on campus. Such presentations include available pamphlets, handouts and prevention tips.

Sexual assault awareness programs are offered periodically to any and all interested individuals or groups. Group programs may be scheduled in advance by calling 590-1900 (1900 on campus). The program also provides tips on avoiding and preventing “acquaintance/date” rape.

Silent Witness Program
The Silent Witness Program is a mechanism by which you can anonymously report crime or other incidents to the department. If you wish to anonymously report a crime or other incident, please call 590-1906.

Drug/Alcohol Education Programs
The University Police and Safety Department, in conjunction with other University offices and local social service providers, provides periodical educational programs on the effects of alcohol and drug abuse. The programs include dissemination of information critical to the participants’ ability to make informed, responsible decisions regarding the role of these substances in their lives.

Victim Advocates
The University Police and Safety Department is required by Florida State Statute to inform victims and witnesses of crime, of their rights within the legal system. If you are the victim of, or a witness to a crime, the investigating officer will provide you with the required information. Our close relationship with other service providers allows us to refer you to them for services beyond that which we can offer.

Operation Identification
“Operation Identification” is a program based on the concept that marked items are more difficult for a thief to dispose of as they can be traced back to the owner. Property is engraved with the owner’s driver’s license number, or social security number for identification purposes. The Department offers this service at no cost. Call 590-1900 to reserve an engraver.

Transportation/Escort
The Eagle Shuttle provides on-campus transportation from 7:00am-9:30pm Monday-Friday during the fall and spring semesters. Shuttles run from housing to the main campus. The shuttles run approximately every 15 minutes. Lee County Transit System (Lee Tran) services the University. For route scheduling, please contact Lee Tran directly at 277-8726 or TDD 277-5037.

Crime Prevention Education and Awareness continued on page 3
Under University rules, a violation of the preceding may cause disciplinary action and, under appropriate state laws, referral for prosecution.

Drugs— The Drug-Free Workplace Policy is available through the Human Resources Department; the Drug-Free School Policy is available through the Office of Student Affairs.

FGCU is committed to an orderly and safe environment for all students, faculty and staff. To this end, the University advises all community members that it is unlawful to manufacture, distribute, dispense, possess, and/or use illegal drugs on its premises or at activities sponsored by the University. In addition to imposition of disciplinary sanctions under University rules, students and employees may face arrest and prosecution under Federal and States laws, which makes such acts felony or misdemeanor crimes.

**Notification of Missing Resident Student**

Confidential Contact: Students residing in University housing will be informed annually that they have the option to identify a person designated as a confidential contact to be notified by the University no later than twenty-four (24) hours after the time they are determined to be missing by the designated officials authorized to make that determination, specifically the Florida Gulf Coast University Police Department (FGCU PD).

Missing Resident Student—Missing Student reports may be received by the Office of Housing and Residence Life or the FGCU Police Department. If the Office of Housing and Residence Life receives information that a residential student is thought to be missing, the FGCU PD will be contacted. The FGCU PD will initiate an investigation and make the determination as to whether the student is actually missing and for how long. The FGCU PD in collaboration with the Office of Housing and Residence Life will immediately attempt to locate the student to determine his or her state of health and well-being. These efforts may include, but are not limited to: checking the student’s residence hall room, contacting professors, and calling the student’s cell phone. Should the student he determined to have been missing for 24 hours or more, the designated missing person/ emergency contact will be notified by the Director of Housing and Residence Life or his/her designee. In cases where the missing student is under the age of 18 and is not emancipated, the Director of Housing and Residence Life or his/her designee in addition to notifying the missing person/emergency contact will also notify a custodial parent or guardian no later than 24 hours following the determination that the student is missing. This contact will be the parent/guardian listed in the Florida Gulf Coast University Student Information System.

**What to do if you are raped or sexually assaulted**

Get medical attention immediately. The primary purpose of a medical examination following a rape is to check for injuries and the presence of sexually transmitted diseases or pregnancy (as a result of the rape). The secondary purpose of the examination is to obtain evidence that may be used in legal proceedings through the recovery of evidence.

Don’t bathe, douche or brush your teeth. Bathing or douching (brushing your teeth if oral sex is involved) is understand-ably the last thing you might want to do, but don’t. You might literally be washing away valuable evidence. Wait until after the medical examination.

Save your clothing. It’s okay to change your clothes but save what you were wearing. Your clothing could also be valuable evidence. Place each item of clothing into separate paper bags if possible; if not, a single large bag will do.

Report the incident to the police. It is up to you, but reporting a rape is not the same as prosecuting a rape. Rapists, even acquaintance rapists, are repeat offenders. Law enforcement can only apprehend offenders when they know about the crime.

If you are the victim of a sexual assault and decide not to notify law enforcement, it is still important that you seek medi- cal attention and contact a victim support resource. On or off campus you can call the Rape Crisis Hot line (939-3112).

On campus counseling is available through CAPS, 590-7950.
An escort by UPD staff is available during evening or night-time hours on campus. By calling 590-1900 an officer or Police Service Aide will be sent to escort you to your car, housing or other academic building.

Physical Facilities
Plant Operations and Maintenance Department is responsible for the operational maintenance of all University buildings and grounds. Safety or maintenance problems should be reported to 590-1370 (1370 on campus).

Lighting
To provide a safe environment for the university community, we periodically evaluate our lighting systems. This system encompasses the roadways, pathways, and parking lots to provide visible paths of travel to and from buildings and parking lots. With construction and environmental changes, illumination may not always appear the same. Students, faculty and staff are encouraged to report lighting problems to University Police or Plant Operations.

University Disciplinary System
The Division of Student Affairs coordinates all student judicial proceedings through the Office of the Dean of Students. Complete information on the judicial process can be found within the Student Guidebook.

Students charged with violations of a Student Code of Conduct will be given adequate notice of the charges and opportunities to address these charges during a hearing. Victims of conduct will be given adequate notice of the charges and sanctions should the student(s) be found responsible.

Key Control
Protection of issued keys and entry cards is extremely important. Do not lend keys or cards, particularly if you are unsure of a person’s authorization. Keys are clearly marked “Do Not Duplicate” and any attempt to duplicate such a key is illegal.

Crime Prevention
Crime Prevention classes are held periodically and are open to students, faculty, staff and the general public. Registered Sexual Offender (RASO) System classes are open to female students, faculty and staff periodically, throughout the year. We also offer, free of charge to students, faculty, and staff, a residential security survey. For information on RASO or Crime Prevention programs, call 590-1900.

Registered Sexual Offenders Search
In accordance with state statutes, registered sexual predators and sexual offenders must register with the Department of Law Enforcement. Convicted sex offenders from out of state must register in Florida within 48 hours of establishing residence.

The Florida Department of Law Enforcement has created a web tool for interested parties to search their database. This database may be used to find sex offenders and predators by name, address, city, county, or zip code. That site is located at http://offenders.fdle.state.fl.us/offenders/homepage.do.

Crime Statistics: The above charts reflect criminal offenses reported directly to UPD or through other law enforcement agencies or campus safety authorities. The Student Right To Know and Campus Security Act requires certain information regarding crime and policies relating to security be prepared, published and distributed to all students, employees and any applicant. These statistics are compiled through the Office of the Chief.

Timely Warning, Crime Alerts and Daily Crime Logs

The Police Department, in conjunction with other University Departments or local law enforcement agencies, issues campus Safety Alerts promptly when an incident is considered a serious or continuing threat to students or employees. These Safety Alerts will be posted on the Department website at http://admin.fgcu.edu/police/homepage.htm, at other locations around campus to reach the impacted population, and otherwise distributed as needed via e-mail and text messaging through the FGCU Alert system.

The Department does maintain a daily crime log database. The log includes the nature, date, time, and general location of each crime reported to the Department. The log is available for review at the Police Department. The information is also provided weekly or as requested to the Eagle News for publication in the school newspaper.
