The University Police and Safety Department is responsible for law enforcement, security, disaster planning, and emergency response at FGCU and is located in the north end of the Campus Support Complex.

The law enforcement officers of the Department receive their enforcement authority via the provisions of Chapter 1012.97 F.S.S. All University police officers are certified by the State of Florida after completion of appropriate training and testing as set by the Florida Dept. of Law Enforcement’s Criminal Justice Standards and Training Commission. Police officers at FGCU have full law enforcement authority including arrest powers on all property owned or controlled by FGCU.

The University Police Department has an excellent working relationship with all local law enforcement agencies, which assures the delivery of professional police services. A variety of State and Federal agencies are available to assist the Department upon request. Through mutual aid agreements, the Lee County Sheriff’s Office provides investigative and crime scene assistance for major incidents and assistance is available from each of the other 10 police departments that comprise the Florida State University System.

Communication and coordination with all area law enforcement are maintained on a 24-hour basis via computer networks such as Florida Crime Information Center (FCIC) and National Crime Information Center (NCIC). The Department also receives crime reports from the Lee County Sheriff’s Office and other local law enforcement agencies for criminal activity involving students. Information may be forwarded to Student Affairs for review.

Security Considerations in the Maintenance of Campus Facilities

The University buildings and grounds are maintained to provide a safe environment for all who come to campus. A variety of personnel from various departments, including Physical Plant, Auxiliary Services, Housing, and University Police work together to ensure all components that comprise the safety system are operational. This includes exterior lighting, fire and smoke detection systems, emergency call boxes, and maintenance of landscaping, sidewalks and traffic control. If you observe any safety issue, please contact the University Police so corrective action can be initiated.

Message from Florida Gulf Coast University Police Department

The staff of the University Police Department is pleased to provide the 2014 Campus Security & Fire Safety Report. The purpose of this guide is to provide important information concerning your safety and security on campus. This information allows students, faculty and staff to be informed and involved in making decisions about personal safety.

The goal of all members of the University Police Department (UPD) is to work with all who comprise the FGCU community to provide a safe and secure environment that allows all to achieve their academic goals and enjoy the college experience. This means offering a variety of crime prevention efforts, insuring safety for vehicular and pedestrian traffic, assisting in coordinating special events, and providing reliable high quality professional service at all times.

The UPD staff will strive to surpass your highest expectations, but your participation is needed. Removing the opportunity for criminals by locking your campus residence, removing valuables and securing your car, utilizing the shuttle service or after hours escort service if traveling alone, increasing safety by driving cautiously and defensively, and finally you can anonymously report crime or other respectfully to others, will assist in making the campus as safe and friendly as possible.

The UPD staff is here to assist. If you can be of any assistance, please contact any UPD member you encounter on campus or call 590-1900. Additionally, please check our website for helpful hints and information. Together we can make everyone’s FGCU experience a positive and enjoyable one.

Crime Prevention Education and Awareness

Community Policing/Outreach
By increasing the interaction of officers with students, faculty and staff, a team approach is desired to reduce the opportunity for crime and improve reporting and solving of crimes that do occur. Officers work and interact closely with Housing, Athletics and various clubs and sports. These officers are also available to provide or arrange general crime prevention seminars, distribute literature, conduct problem solving activities, and other activities to help develop a substantive relationship with members of the community.

Personal Safety
Police Department members provide personal safety information at each new student and employee orientation. Security surveys or other presentations are offered upon request to any group on campus. Such presentations include available pamphlets, handouts and prevention tips.

Sexual assault awareness programs are offered periodically to any and all interested individuals or groups. Group programs may be scheduled in advance by calling 590-1900 (1900 on campus). The program also provides tips on avoiding and preventing “acquaintance/date” rape.

Silent Witness Program
The Silent Witness Program is a mechanism by which you can anonymously report a crime or other incidents to the department. If you wish to anonymously report a crime or other incident, please call 590-1906.

Drug/Alcohol Education Programs
The University Police and Safety Department, in conjunction with other University offices and local social service providers, provides periodic educational programs on the effects of alcohol and drug abuse. The programs include dissemination of information critical to the participants’ ability to make informed, responsible decisions regarding the role of these substances in their lives.

Victim Advocates
The University Police and Safety Department is required by Florida State Statute to inform victims and witnesses of crime of their rights within the legal system. If you are the victim of or a witness to a crime, the investigating officer will provide you with the required information. Our close relationship with other service providers allows us to refer you to them for services beyond that which we can offer.

Operation Identification
“Operation Identification” is a program based on the concept that marked items are more difficult for a thief to dispose of as they can be traced back to the owner. Property is engraved with the owner’s driver’s license number, or other identifying number for identification purposes. The Department offers this service at no cost. Call 590-1900 to reserve an engraver.

Transportation/Escort
The Eagle Shuttle provides on-campus transportation from 7:30am-10:00pm Monday-Friday during the fall and spring semesters. Shuttles run from Housing to the main campus. The shuttles run approximately every 15 minutes. Lee County Transit System (Lee Tran) services the University. For route scheduling, please contact Lee Tran directly at 275-8726 or TDD 277-5037.
Policy on Alcohol, Drugs, Weapons, & Sexual Harassment

The first step in providing a safe environment is through the University’s policies. They are designed to establish a basis for quality campus life. Their effectiveness is dependent upon all of us collectively promoting safety.

 Policies set a standard of conduct which is most conducive to a safe environment. It is not the intent of the University Police and Safety Department to reprint these policies in this booklet, but to give you some general knowledge of those policies which most affect your safety and security here at FGCU. You should consult reference materials as needed.

Alcohol - The legal drinking age in Florida is 21. Therefore, some 30 to 30 percent of undergraduates are not of legal drinking age. The University has established specific policies for drinking on campus and has published these rules in several publications.

The Florida Gulf Coast University Student Guidebook, published by the Division of Student Affairs, Office of the Dean provides guidelines for the sale, possession, and consumption of alcohol. These guidelines require individuals and/or groups to meet specific criteria prior to obtaining approval to hold events on campus where alcohol will be served.

The use of alcoholic beverages by members of the University community is subject to the alcoholic beverage laws, Chapters 562, 565, and 856, Florida State Statutes. It is unlawful to sell, give, or serve alcoholic beverages to a person under age 21; to misrepresent or misstate your age or the age of other persons to induce any licensee, his agents or employees to give, sell, serve, or deliver any alcoholic beverage to a person under 21 years of age.

Possession of alcoholic beverages by persons under age 21 is prohibited.

No adult (age 21 or older) shall allow an “open house party” (social gathering) to take place if any alcoholic beverage or drug is possessed or consumed by any minors.

Further, Lee County Ordinances prohibit the possession of open containers in public areas.

Under University rules, a violation of the preceding may cause disciplinary action and, under appropriate state laws, referral for prosecution.

Drugs - The Drug-Free Workplace Policy is available through the Human Resources Department; the Drug-Free School Policy is available through the Office of Student Affairs.

FGCU is committed to an orderly and safe environment for all students, faculty and staff. To this end, the University advises all community members that it is unlawful to manufacture, distribute, dispense, possess, and/or use illegal drugs on its premises or at activities sponsored by the University.

In addition to imposition of disciplinary sanctions under University rules, students and employees may face arrest and prosecution under Federal and State laws, which makes such acts felony or misdemeanor crimes.

Weapons - Florida State Statutes 790.115 and FGCU regulation PR9.005 prohibits the carrying of firearms on a university campus. Firearms are not permitted on the FGCU campus, except for those carried by uniformed law enforcement officers or members of the military engaged in authorized training.

The unauthorized use or possession of weapons, to include electric weapon or device, destructive device, or other weapon including a razor blade, box cutter, or knife on the FGCU campus is prohibited by Chapter 790.115(2), F.S.S.

Conduct Standards - The published rules of conduct enable the University to meet its mission of contributing to the well-being of society. Failure of students, student organizations, faculty or staff to comply with duly established laws or University regulations may subject the violator(s) to appropriate action by University or other civil authorities.

Florida law Chapter 1006.61 prohibits intentionally acting to impair, interfere with, or obstruct the orderly conduct, processes, and functions of any State University. Violations may result in a minimum 2 year expulsion from the University.

Sexual Harassment - Unwelcome sexual advances, requests for sexual favors, and other verbal (including written and electronic communications) or physical conduct of a sexual nature can constitute sexual harassment.

FGCU’s Sexual Harassment Policy is published in all catalogs as well as the Student Guidebook. Specific information can be obtained from the Human Resources Department, Office of Student Affairs, and/or the Office of Equal Opportunity Programs.

FGCU does not attempt to shelter students or employees from federal, state, or local laws pertaining to sexual misconduct. Individuals who feel they have been harassed should contact the following:

For Students, the Division of Student Affairs; Office of the Dean.
For Employees, the Human Resources Department; or University Ombudsman.

Notification of Missing Resident Student

Confidential Contact: Students residing in University Housing will be informed annually that they have the option to identify a person designated as a confidential contact to be notified by the University no later than twenty-four (24) hours after the time they are determined to be missing by the designated officials authorized to make that determination, specifically the Florida Gulf Coast University Police Department (FGCUPD).

Missing Resident Student: Missing Student reports may be received by the Office of Housing and Residence Life or the FGCU Police Department. If the Office of Housing and Residence Life receives information that a residential student is thought to be missing, the FGCUPD will be contacted. The FGCUPD will initiate an investigation and make the determination as to whether the student is actually missing and for how long. The FGCUPD in collaboration with the Office of Housing and Residence Life will immediately attempt to locate the student to determine his or her state of health and well-being. These efforts may include, but are not limited to; checking the student’s residence hall room, contacting professors or cells of the student, the student’s cell phone. Should the student be determined to have been missing for 24 hours or more, the designated missing person/emergency contact will be notified by the Director of Housing and Residence Life or his/her designee. In cases where the missing student is under the age of 18 and is not emancipated, the Director of Housing and Residence Life or his/her designee in addition to notifying the missing person/emergency contact will also notify the legal guardian or guardian no later than 24 hours following the determination that the student is missing. This contact will be the parent/guardian listed in the Florida Gulf Coast University Student Information System.

What to do if you are raped or sexually assaulted

Get medical attention immediately. The primary purpose of a medical examination following a rape is to check for injuries and the presence of sexually transmitted diseases or pregnancy (as a result of the rape). The secondary purpose of the examination is to aid the police investigation and legal proceedings through the recovery of evidence.

Do not bathe, douche or brush your teeth. Bathing or douching (brushing your teeth if oral sex is involved) is understood legally as the first thing you might want to do, but don’t. You might literally be washing away valuable evidence. Wait until after the medical examination.

Save your clothing. It’s okay to change your clothes but save what you were wearing. Your clothing could also be valuable evidence. Place each item of clothing into separate paper bags if possible; if not, a single large bag will do.

Report the incident to the police. It is up to you, but reporting a rape is not the same as prosecuting a rape. Rapists, even acquaintance rapists, are repeat offenders. Law enforcement can only apprehend offenders when they know about the crime.

If you are the victim of a sexual assault and decide not to notify law enforcement, it is still important that you seek medical attention and contact a victim support resource. On or off campus you can call the Rape Crisis Hot line (919-3112). On campus counseling is available through CAPS, 590-7950.

Emergency Notifications and Evacuations

In the event of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students or employees occurring on campus, the University Police Department, in conjunction with the Emergency Assistance Team, will determine the appropriate segment or segments of the campus community to receive notification; determine the content of the notification; and utilize the appropriate mass notification systems to notify the community. The decisions will be based on the information available at the time and notification will be made only in the professional judgment of the responsible authority. The notification could compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. The mass notification systems can include: FGCU Alert, a text messaging system that include e-mail and social networking sites, on-campus alerts, website alerts, public address systems, and telephone notifications. The emergency notification system is tested on a semester basis. In 2018 the system was designed for sending emergency messages three times and administrative messages 10 times.

The life safety fire drill information and building evacuation procedures can be found at the Environmental Health & Safety website www.fgcu.edu/EHS/lifesafety.html.
An escort by UPD staff is available during evening or restroom hours on campus. By calling 590-1900 an of- ficer or Police Service Aide will be sent to escort you to your car, housing or other academic building.

Physical Facilities
Plant Operations and Maintenance Department is re- sponsible for the operational maintenance of all Univer- sity buildings and grounds, Safety or maintenance prob- lems should be reported to 590-1370 (1370 on campus).

Lighting
To provide a safe environment for the University com- munity, we periodically evaluate our lighting system. This system encompasses the walkways, pathways, and parking lots to provide visible paths of travel to and from buildings and parking lots. With construction and environmental changes, illumination may not always appear the same. Students, faculty and staff are encour- aged to report lighting problems to University/Police or Plant Operations.

Key Control
Protection of issued keys and entry cards is extremely important. Do not lend keys or cards, particularly if you are unsure of a persons authorization. Keys to clearly marked “Do Not Duplicate” and any attempt to duplicate such a key is illegal.

Crime Prevention
Crime Prevention classes are held periodically and are open to students, faculty, staff and the general pub- lic. Rape Aggression Defense (RAD) System classes are offered to residents, students, faculty and staff periodically, throughout the year. We also offer, free of charge to stu- dents, faculty, and staff, a residential security survey. For information on RAD or Crime Prevention programs, call 590-1900.

Registered Sexual Offenders Search
In accordance with federal/state law, registered sexual predators and sexual offenders must register with the Florida Department of Law Enforcement. Convicted sex offenders from out of state must register in Florida within 48 hours of establishing residence.

The Florida Department of Law Enforcement has cre- ated a web tool for interested parties to search their da- tabase. This database may be used to find sex offenders and predators by name, address, city, county, or zip code. That site is located at: http://offender.lie.id.state.fl.us/of- fender/homepage.do or call 1-888-357-7332.

University Disciplinary System
The Division of Student Affairs coordinates all student judicial proceedings through the Office of the Dean of Students. Complete information on the judicial process can be found within the Student Guidebook or regula- tion FGCU-F99-002.

Students charged with violations of a Student Code of Conduct will be given adequate notice of the charges and allegations against them, and be provided an op- portunity to address these charges during a hearing. Victims of sexual misconduct may be asked to provide testimony at the proceedings, and are allowed to submit information which also may be used during the mitigation phase of the sanctioning should the student (s) be found responsible for the charges against them. In cases where an alleged offender’s conduct poses a threat to the University community, the Dean of Students may choose to impose an immediate interim suspension until a hearing can be convened to determine the facts of the case. Both the alleged victim and the alleged of- fender are allowed to be accompanied by an advisor of their choice during the proceedings, and will be in- formed of the final outcome of any campus disciplinary hearing.

Students found responsible for violations of sexual misconduct will be sanctioned according to the options outlined in the Student Code of Conduct. This can include, but is not limited to, probation, fines, and community service. These sanctions are determined by the Dean of Students, who considers the nature and circumstances of the violations and the individual’s behavior at the time of the violations.

University disciplinary proceedings involving sexual misconduct may be held even when formal charges are not brought.

Access to University Facilities and Housing
FGCU is a public university with many buildings and events open to the public. Many of the build- ings, residence halls and residence halls are open to the public have the hours posted at the entrance. Some buildings and offices are secured by locked doors accessible only by key or access card. The University Police provide regular patrol of the entire campus from 6:00 am to 12:00 midnight. Some offices require individuals who interacts with the orderly operation of Uni- versity business may be escorted from campus or arrested.

All residents of University Housing are issued ac- cess cards and keys. All exterior doors and individ- ual bedrooms doors are equipped with locks. Policies and hours are set by the Office of Housing & Residence Life (OHRL).

Campus Residence Fire Safety

Introduction
The Higher Education Opportunity Act (HEOA) was signed into law in August 2008 and mandates several new reporting requirements for college campuses. One of the main provisions of the HEOA is the Campus Fire Safety Right-to-Know Act. This provision calls for all Title IV eligible institutions that participate in Title IV programs and maintain on-campus student housing facilities to publish an annual fire safety report that outlines fire safety sys- tems, policies, practices, and statistics. The following report discloses all information required by HEOA as it relates to Florida Gulf Coast University.

Fire Log
The Department of Housing and Residence Life maintains a Fire Log of all fire related incidents occurring within the residence halls. This log includes the incident type, date incident is reported, date and time of occurrence, general location of each reported incident type and the disposition of the incident if that information is known. Reporting all fires and inquiries regarding the fire log should be directed to the Associate Director for Residence Life.

Facilities and Fire Protection Systems
Florida Gulf Coast University’s Office of Housing and Residence Life operates 34 apartments buildings and 5 resi- dence halls housing approximately 4,250 students on-campus and 500 off-campus. Each apartment building/resi- dence hall is protected by a full sprinkler system and networked fire alarm system. When a networked fire alarm is activated, the alarm sounds on a panel in the University Police Department, which is staffed 24 hours a day, 365 days a year. An officer will be dispatched along with a Resident Assistant to the building and will determine the cause of the alarm and whether the fire department should be notified to respond. In addition to the sprinkler and alarm systems, all buildings contain portable fire extinguishers in designated locations.

Florida Gulf Coast University’s Office of Housing & Residence Life partners with SimplexGrinnell on providing the life safety inspection services for all on-campus apartments and residence halls. SimplexGrinnell tests and maintains the fire alarm systems & fire sprinkler systems to meet National Fire Protection (NFPA) requirements. The fire alarm system is tested on an annual basis to meet the NFPA 72 requirements, including the testing of all peripheral fire alarm devices. The Fire Sprinkler Systems are tested by SimplexGrinnell on an annual & quarterly basis to meet the NFPA 25 requirements for water based protection systems, including the fire pumps on the property. SimplexGrinnell tests the fire extinguishers in the apartments, suites and common areas of housing in compliance with NFPA 10 requirements. SimplexGrinnell confirms system readiness, inspects all components of each system, performs functional testing using specialized tools and instrumentation, makes necessary adjust- ments and/or calibrations, and provides detailed reports recommending any necessary corrective actions.

Fire Safety Education and Training
The Office of Housing and Residence Life conducts in depth fire safety training with the Residence Life staff each year. Training sessions on fire safety, fire evacuation protocol, and the role of a Resident Assistant (RA) in any fire related emergency are conducted each year during Resident Assistant training. The RA’s are also trained in fire extinguisher use and basic level fire extinguishing techniques.

Planned fire drills, coordinated with the University Police, Housing Facility staff and Residence Life staff are conducted each year during the month of Sep- tember. Fire evacuation procedures are also pub- lished in the Community Guide and can be found at http://www.fgcu.edu/Housing/current/the-commu- nity-guide.html. In addition to the planned fire drills, the Residence Life staff performs fire and life safety inspections in each apartment/residence hall each month to ensure fire safety equipment is operable and no fire safety life issues exist.

Fire Safety Policies
The following are prohibited in the residence halls/ apartmenst:

• Smoking
• Use of candles and/or incense
• Use of open flame appliances
• Halogen lamps
• Live Christmas trees

Tampering with fire extinguishers, smoke detectors, sprinkler heads, exit lights, emergency lights, or other emergen- cy equipment

• Starting a fire
• Leaving food cooking unattended

Timely Warning, Crime Alerts and Daily Crime Logs

The Police Department, in conjunction with other Uni- versity Departments or local law enforcement agencies, issues Safety Alerts to the campus community. These Safety Alerts will be posted on the Uni- versity Department website at http://www.fgcu.edu/udp/, at other University locations, and as appropriate to reaches the impacted popula- tion, and otherwise distributed as needed via e-mail and text messaging through the FGCU Alert system.

The Department does maintain a daily crime log data- base. The log includes the nature, date, time, and general location of each crime reported to the Department. The log is available for review at the Police Department. The information is also provided weekly or as requested to the Eagle News for publication in the school newspaper.
**Sexual Assault/Violence Policy**

FGCU prohibits sexual assault, other unlawful sexual activity, dating violence, domestic violence, and stalking, and offers programs aimed at the prevention of such offenses. These offenses are violations of state criminal law as well as the University’s Student Code of Conduct. A summary of the elements and legal requirements of such an offense is set forth below.

**Sexual Assault and Other Unlawful Sexual Activity**

Sexual assault and other forcible sex offenses generally encompass the following:

- Nonconsensual or coerced
- Sexual activity
- For purposes of sexual arousal, gratification, or abuse

Nonconsensual sexual activity takes place when the victim does not or cannot (because the victim is mentally or physically disabled, incapacitated or impaired) give informed, knowing and voluntary consent. While consent can be expressed in a variety of ways through words, attitude or action, a failure to consent is not, in and of itself, signify consent. Coercion includes force or the threat of force or violence against the victim or someone else, or any other means calculated to cause submission against the victim’s will. Sexual activity includes not only intercourse, but any penetration into a genital or anal opening of a victim with a body part or any object. It also includes other sexual contact such as being touched or being forced to touch (with your hand or any other part of your body) another person’s sex organs, breasts, groin, buttocks or anus (whether clothed or unclothed) or being touched in or around any of these places (whether clothed or unclothed) by another person.

Nonconsensual sex offenses include offenses like rape, forcible sodomy, and of itself, signify consent. Coercion includes force or the threat of force or violence against the victim or someone else, or any other means calculated to cause submission against the victim’s will. It also includes other sexual contact such as being touched or being forced to touch (with your hand or any other part of your body) another person’s sex organs, breasts, groin, buttocks or anus (whether clothed or unclothed) or being touched in or around any of these places (whether clothed or unclothed) by another person.

**Date Rape**

Date rape is a form of sexual assault that occurs in a non-consensual situation when a person has a current or former relationship with the victim. The definition of date rape is based on the concepts of the length and type of relationship and the frequency of interaction between the persons involved. Date rape includes crimes of violence where the parties involved:

- Are current or former spouses (or persons similarly situated to a spouse or that cohabitated as spouses)
- Have a child in common or

have or have had another relationship covered by the domestic or family violence laws of the jurisdiction (such as individuals related by blood or marriage or current or former household members)

**Stalking**

Stalking means a course of conduct directed at a specific person that would cause a reasonable person to

- Fear for his or her safety or the safety of others or
- Suffer substantial emotional distress if this is reason to believe that FGCU rules prohibiting any of these offenses have been violated, either on or off campus, the administration may pursue disciplinary action through the university’s Conduct Review Process.

**Definitions of Consent and the Standard of Responsibility**

Included are definitions of consent and the standard of responsibility. The statute provides for the following definitions:

- Consent: The taking place when the victim does not or cannot (because the victim is mentally or physically disabled, incapacitated or impaired) give informed, knowing and voluntary consent.
- Coercion: Includes force or the threat of force or violence against the victim or someone else, or any other means calculated to cause submission against the victim’s will.
- Sexual activity: Includes not only intercourse, but any penetration into a genital or anal opening of a victim with a body part or any object. **Housing**

Housing is a subset of the Campus. No hate crimes were reported in 2011 or 2013. In 2012, one noncampus vandalism characterized by sexual orientation bias was reported. Noncampus include West Lake Village, Vester Marine Field Station, Naples Botanical Garden, Veterans Memorial Elementary School, and Rookery Bay Environmental Learning Center West Lake Village. The FGCU Alert system is a text messaging and e-mail emergency notification system for events on campus. You may register by going to http://www.fgcu.edu/alert.
