A. GENERAL STATEMENT

Florida Gulf Coast University (“University” or “FGCU”) encourages application from all qualified individuals regardless of age, race, religion, national origin, color, sex, sexual orientation, disability, marital status, or veteran’s status. The Office of Admissions provides prospective students, parents, and other interested individuals with admission counseling, presentations, tours, and informational workshops. All credentials and documents submitted during the admission (from submission of the application to rendering of an admission decision) and enrollment (from admission decision to registration for course work) processes become the property of FGCU and will not be returned to the applicant or forwarded to another institution, agency or person. Furnishing any false or fraudulent statements or information in connection with the admission or enrollment process may result in disciplinary action, denial of admission, and invalidation of credits or degrees earned.

Admission to the University does not guarantee admission to programs designated as limited access, teacher certification, or other programs that have application criteria beyond the minimum criteria for admission to the University. Program descriptions provide additional admission requirements and application deadlines.

B. APPLICATION

The latest information regarding the application process is found on the University’s website. Admissions’ decisions are made on a rolling basis, which means that as soon as all required documents have been received and the evaluation completed, a decision is made. Admit, deny, or a hold decision notifications are sent to the applicant 2 business days after the decision has been entered on the student’s record. Applicants who have a hold decision are allowed to furnish additional or updated information. The time for evaluating completed admission records will vary from a few days to several weeks depending on the time of year and the volume of applications.

C. APPLICATION FEES

1. Application fees for Undergraduate and Non-Degree Seeking students are required and non-refundable. The application fee is a one-time payment, provided the student is admitted and matriculates within one year (defined as a semester the original term of admission plus the following two terms semesters) which includes the summer term counts as a semester. If the student fails to complete the application, is denied admission or once admitted does not matriculate within this one year a new application and fee are required.
2. Students returning to FGCU after a period of non-enrollment (at least one year) as either degree seeking or non-degree seeking, alumni returning to FGCU, and non-degree seeking students submitting a degree-seeking application do not have to submit the application fee. Application fees will be waived in the following situations:

   a) When students submit a Request for Waiver of College Application Fee from the SAT or ACT Program Fee-Waiver Service, or a NACAC Application fee waiver form; and

   b) For special programs initiated by the University that are designed to help specific groups of students who would otherwise not be able to attend the University. Request to waive the application fees for students in these programs should be made to the Director of Admissions well in advance of the program start.

D. OFFICIAL TRANSCRIPTS AND TEST SCORES

Official transcripts and test scores, if applicable, are required of applicants seeking formal admission to FGCU. To be official such documents must be sent directly to FGCU from the issuing institution and must be received by the published deadlines. It is the applicant’s responsibility to have the required documentation forwarded to the FGCU Office of Admissions in order for the application to be processed. All materials and fees (except the on-line application) may be mailed to Florida Gulf Coast University, Office of Admissions, 10501 FGCU Boulevard South, Fort Myers, FL 33965-6565. Documents may also be electronically transmitted using recognized services. Official test scores (ACT or SAT), a high school transcript, and transcripts of all previously attended colleges and universities should be sent to the Office of Admissions.

E. APPLICATION DEADLINES FOR U.S. RESIDENTS

1. Applicants are encouraged to apply as early as possible – up to twelve months before the requested entry date. Application deadlines are listed on the Admissions website. Applicants still enrolled in high school at the time of the application should submit a high school transcript showing at least six semesters of course work. A final high school transcript will be required following high school graduation.

2. For transfer students, if courses are still “In Progress” at the time of the initial application, then a final transcript showing grades for all course work and any degree conferred should be submitted as soon as possible after completing the work.

3. Applications received or completed after the posted deadlines may be processed for admission into the requested term based on space or time limitations; however, these factors may result in some applicants being offered admission into the next available term. International (non-US) students should refer to the section on International Admissions for appropriate deadlines.
F. EARLY ADMISSION AND DUAL ENROLLMENT

1. FGCU has full-time early admission and dual enrollment agreements with local school boards and private high schools for academically talented high school students who would like to challenge themselves by enrolling either part-time or full-time at FGCU and taking courses that will count towards high school graduation and University degree completion.

2. Criteria for Early Admission and Dual Enrollment:

An applicant for early admission or dual enrollment must meet the following criteria:

a) Demonstrate exceptional academic ability and college readiness,

b) Be enrolled in a rigorous college preparatory curriculum, and

c) Meet the minimum GPA, test score requirements, and eligibility requirements as established in the dual enrollment agreement and as posted on the Accelerated Collegiate Experience (ACE) website.

3. Required Admission Materials

Students should consult the ACE website for the application procedure including deadlines and required documents.

G. FIRST-TIME-IN-COLLEGE STUDENTS

1. First-Time-In-College Students (FTIC), are defined as students who have earned a high school diploma or its equivalent and who have earned no more than eleven (11) semester hours of transferrable credit after high school graduation. Applicants must submit an application for admission, official transcripts of all secondary work from each post-secondary institution as appropriate, and official ACT or SAT test scores.

2. An FTIC student must be a graduate of a Florida public or regionally accredited high school, or its equivalent, and have completed 18 Carnegie units which are year-long courses and not remedial in nature. At a minimum, the following units must be completed: 4 units of English (at least three with substantial writing); 4 units of mathematics at the level of algebra I or higher (algebra A, B is equivalent to one unit of algebra I); 3 units of natural science (at least two with a laboratory); 3 units of social science (includes anthropology, history, civics, political science, economics, psychology, sociology or geography); 2 units of the same foreign language (American Sign Language can substitute for a foreign language) (see section 4 below regarding foreign language competency); and 2 academic electives. Students who entered high school as a freshman prior to July 1, 2007 are required to complete 3 units of mathematics and 3 academic electives. FGCU will utilize a weighted GPA as determined by the Office of Admissions. Weighted GPAs include one point for credits earned in Advanced Placement (AP), International Baccalaureate (IB), Advanced
International Certificate of Education (AICE) courses, and Dual Enrollment courses for grades of C or higher. One-half point for honors courses, Pre-AICE, and Pre-IB for grades of C or higher. Academic and elective courses are listed in the Counseling for Future Education Handbook published by the Florida Department of Education. Initial application review is based on high school weighted grade point average (GPA) in the academic units and performance on standardized admission tests. Acceptable tests include the SAT, or the ACT. Students who graduate from high school in 2006 or later must submit the new SAT with the writing test or an ACT with the combined English and writing score. Students applying for Spring 2017 or later are not required to submit an essay score.

3. Each FTIC student admitted to FGCU is expected to demonstrate competency of foreign language or American Sign Language equivalent to the second high school level or higher (Spanish 2 for example). A limited number of students not meeting the high school foreign language requirement may be admitted; however, these students must fulfill the foreign language requirement prior to completion of the baccalaureate degree.

4. FTIC students applying to FGCU may be considered for admission based on the following criteria. Meeting the minimum requirements does not guarantee admission as factors such as number of qualified applicants and available space may be taken into consideration.

   a) A 3.0-weighted GPA on a 4.0 scale paired with one of the standardized admission tests. Subsections of each test must be above minimum/remedial levels, as determined by the Florida Board of Governors and the State Board of Education, or

   b) An FTIC student may be admitted if he/she has a high school weighted GPA of 2.5 - 2.99 on a 4.0 scale. Course work from which a student has withdrawn with passing grades will not be included in the calculation. In addition to achieving the minimum GPA, a student must achieve the minimum scores for each SAT Reasoning Test or ACT section as outlined below:

      1) SAT: Critical Reading >= 460, or ACT: Reading >= 19,

      2) SAT: Mathematics >= 460, or ACT: Mathematics >= 19, and

      3) SAT: Writing >= 440, or ACT: English >= 17 and English/Writing >=18.

      4) Students applying for Spring 2017 or later must achieve the minimum scores for each section of the SAT (or its corresponding score on the redesigned SAT, based on the official concordance from the College Board) or ACT section as outlined below:

        a) SAT – Critical Reading +SAT – Writing or concordant score from rSAT  Evidenced Based Reading and Writing >= 460, or ACT Reading >=19

        b) SAT- Mathematics >=460, or ACT – Mathematics >=19
5. Talented Twenty. Any student ranked in the top 20% of his or her Florida public high school and has passed all required academic units, may be admissible to FGCU and admitted on a space available basis.

6. Non-traditional program of study. Any applicant who completed a non-traditional high school program of study, which is not measured in Carnegie Units, such as home schooling, or a student who presents a General Equivalency Diploma (GED) instead of a standard high school diploma, may not qualify for admission based on the criteria listed above. Instead, the applicant must present a total score of at least 1450 on the SAT (Critical Reading + Math+ Writing) or a 21 composite on the ACT plus writing. Students applying for Spring 2017 and later must present a combined score of at least 1010 on the SAT (or concordant redesigned SAT combined score) or an ACT composite score of 21. Sub-sections of each test must be above the minimum/remedial levels as described above.

7. Profile Assessment. A student applying for admission who does not meet these requirements may be eligible for admission through a student profile assessment, which considers additional factors, including, but not limited to, the following: a combination of test scores and GPA that indicate a potential for success, improvement in high school record, military service, family educational background, socioeconomic status, graduation from a low-performing high school, graduation from an international baccalaureate program, the length of time since high school graduation, geographic location, creativity, character, and special talents or abilities. These additional factors shall not include preferences in the admissions process for applicants on the basis of race, national origin, or sex. These students may be admitted if, in the judgment of the Admissions Committee, there is sufficient evidence that the student can be expected to succeed at the institution.

   a) The number of FTIC students admitted each year through profile assessment shall not exceed 5% of the total number of admitted FTIC students.

   b) Students admitted through profile assessment shall be monitored and provided a learning plan to help ensure that their retention and graduation rates remain at or near the institution’s average. Each year a report will be provided to the FGCU Board of Trustees reviewing the success of these students.

   c) Any FTIC or Transfer student with a learning disability shall be eligible for reasonable substitution or modification of any requirement for admission pursuant to Board of Governors Regulation 6.018.

8. FTIC applicants who earn transferable college credit, regardless of the total number, before graduating high school are considered freshman (FTIC).
H. LOWER DIVISION TRANSFER

1. Transfers with less than 30 transferrable hours - Students who are lower division transfer applicants (those with at least 12 but fewer than 60 semester hours of transferable credit as determined by the Office of Admissions) must meet all requirements of incoming first-time-in-college applicants as described in the above section. These students must also have a minimum cumulative transfer 2.0 GPA of 2.5 (on a 4.0 scale) as calculated by the University and be eligible to return as a degree-seeking student in good standing (with at least a 2.0 GPA) to the last institution attended.

2. Transfers with 30 or more but less than 60 transferrable hours – Lower division transfer students with 30 or more but less than 60 transferrable hours must have a minimum transfer GPA of 2.5 (based on a 4.0 scale) as calculated by the University, and be eligible to return as a degree seeking student in good standing to the last institution attended. In addition, students must have successfully completed (C or Higher) at least one English Composition course and one college level mathematics Course, that consists of three (3) semester credit hours. High school transcripts may be required to demonstrate completion of the foreign language admission requirement. Students not meeting these requirements must then meet the requirements for transfer students with less than 30 transferrable hours.

A limited number of lower division transfer students not meeting freshman admission criteria may be admitted if the student can reasonably be expected to complete satisfactory academic work. Factors such as the number of post-secondary hours completed, grades obtained, coursework completed, and length of time since high school graduation are some of the factors that will be considered.

4. FGCU has entered into articulation agreements with several public Florida State/Community Colleges for the purpose of facilitating transfer into FGCU degree programs. Applicants who have received an Associate of Science degree immediately prior to transferring to FGCU will be admitted if, and only if, the following requirements are met:

a) the AS degree is in one of the approved disciplines listed on the FGCU Office of Admission website in the transfer section;

b) from an approved public Florida State/Community College; and

c) the applicant has applied for the corresponding FGCU degree program.

However, transfer applicants with an Associate of Science degree who matriculate to a post secondary institution of higher learning and fail to maintain at least a 2.0 GPA in additional courses, will not be eligible to transfer to FGCU. Admission is not guaranteed to programs designated as limited access. Some programs have additional program admission criteria.

5. Upper division transfer students who meet minimum requirements are not guaranteed admission into FGCU.

J. TRANSFER WITH FLORIDA ASSOCIATE OF ARTS DEGREE

1. Admission of Associate of Arts (AA) degree graduates from Florida College System institutions, state colleges, and state universities will be governed by the Articulation Agreement between the state universities and Florida College System institutions, as approved by the Board of Governors and State Board of Education. These Florida Associate in Arts graduates shall receive priority for admission over out-of-state transfer students. The agreement states that, except for limited access programs, admission as a junior to the upper division of the University may be granted to any graduate of a state-approved Florida College System institution or State University System institution who transfers to FGCU, who has completed the university parallel program, and who has received the AA degree which includes all of the following:

A student who is requesting a reasonable substitution or modification for any requirements for admission into an undergraduate program due to a disability must provide appropriate documentation (less than three years old) that supports the ability to succeed at the university level. The Admissions Appeals Committee will review this petition for admission. The admission decision will be made on an individual basis from documentation provided by the student. If an admission test score is required for the specific category of undergraduate admission, the test score will not be waived.

O. PRIOR CONDUCT

1. Florida Board of Governors’ Regulation 6.001(7) authorizes universities to refuse admission to applicants due to past misconduct. The Office of Undergraduate Admissions reviews disclosures by students who disclose criminal traffic violations and minor academic issues in response to the admissions application conduct question. P. APPEALING ADMISSIONS DECISIONS

1. Applicants denied admissions may appeal the decision to the Admissions Appeals Committee by sending a written request and including new and compelling information.
that was not part of their original application. The Committee schedules meetings throughout the fall and spring semesters. Admission in the new term is not automatic, and a student requesting a new entry date-term must meet the admission requirements in effect for the new term. Entry dates for some programs are limited to specified terms. If a student attends another collegiate post-secondary institution in the interim, an official transcript of all work attempted is required. A new application and application fee are required when deferring admission to a term beginning more than two semesters terms after the original admission term or if the students requests a change of term for the second time.

R. TRANSFER OF COURSEWORK

1. The Office of Admissions is responsible for receiving and evaluating transfer credit. The college of the student’s major assigns equivalent upper division (3000 and 4000 level) courses and graduate (5000 and 6000 level) courses in determining which courses are applicable toward specific degrees.

2. The University reserves the right to evaluate transfer courses on an individual basis. Age and concordance of content to current requirements may be factors in determining course transfer and acceptance toward degrees; individual colleges and programs have the authority to establish age standards for acceptance of transfer courses.

d) Credit awarded by the University for online coursework will be noted on the student’s transcript.

S. SECOND BACCALAUREATE DEGREE

Graduates from regionally accredited four-year U.S. institutions may apply for admission to work toward a second undergraduate degree. The first baccalaureate degree satisfies the general education requirement and provides exemption from the foreign language requirement for admission. Second baccalaureate degree applicants should submit all transcripts and an undergraduate application for acceptance into the University. Individual programs may have additional requirements over and above that which is required to gain University admission including a supplemental application, minimum GPA, pre-requisites courses, and test scores. Students should verify specific program requirements prior to commencing the application process.

T. LANGUAGE ADMISSION REQUIREMENT

All admitted undergraduate students must satisfy the statewide foreign language admission requirement or meet exemption criteria. Applicants whose native language is not English must also satisfy this requirement, but may do so with appropriate course work in their native language. The language admission requirement for each type of applicant is described above.

A student may be exempt from the state university foreign language requirement if one of the following criteria is met:

1. Received an AA degree from a Florida College System institution prior to September 1, 1989;

2. Enrolled in an AA program at Florida College System institutions prior to August 1989 and maintained continuous enrollment until admission to and enrollment in FGCU;

3. Has a baccalaureate degree from a regionally accredited college or university; or
4. Can demonstrate equivalent foreign language competence through credit awarded on the basis of scores on the foreign language subject matter examinations in the College Level Examination Program (CLEP), which must be equivalent to elementary level 2 coursework, 8 semester hours of college-level work. The minimum scores for awarding CLEP credit and the maximum CLEP credit to be awarded are as outlined in the chart below:

U. DEGREE ACCELERATION PROGRAMS

College credits earned by high school or college students on the basis of the College Board’s Advanced Placement Program (AP), College Level Examination Program (CLEP), Advanced International Certificate of Education Program (AICE), or the International Baccalaureate Program (IB) will be accepted. Credit received from one exam program may not be duplicated by another, nor duplicated through dual enrollment credit. A maximum of 45 semester hours of AP, CLEP, AICE, and IB credits can be applied toward a degree. For students with more than 45 applicable credits, AP, AICE and IB credits will be transferred before evaluating other credits. AP, IB, and CLEP information regarding courses/areas for which FGCU credit may be assigned is subject to change. The State Articulation Coordinating Committee, a joint committee of the Department of Education and the Board of Governors, establishes the passing scores and course equivalencies for these programs. Current approved scores and equivalent courses are maintained in the University Catalog.

1. Advanced Placement Program (AP). Students must submit an official Advanced Placement transcript from The College Board as evidence of completion of a college-level course taken in high school. If the examination results meet the requirements in the equivalency table listed in the University catalog, the student may be given University credit. The courses listed indicate the FGCU course equivalency that will appear on the student’s FGCU transcript. AP equivalence will count toward communication and computational skills requirements. AP credit will appear on the student’s permanent record.

2. College Level Examination Program (CLEP). Students must submit an official transcript from The College Board for scores to be considered for credit. CLEP examination scores must meet the minimum standards established by the State
University System and FGCU. CLEP credit will appear on the student’s permanent record. CLEP credit will count toward communication and computational skills requirements. CLEP credit does not factor into the GPA because a grade is not associated with CLEP credit.

3. International Baccalaureate Program (IB). Students may be awarded up to 30 semester hours of credit in FGCU courses for scores of four (4) or higher on IB exams, in accordance with the equivalency table in the University catalog. IB equivalence will count toward communication and computational skills requirements.

4. Advanced International Certificate of Education Program (AICE). Like the International Baccalaureate program, the AICE program is an international curriculum and examination program modeled on the British pre-college curriculum and “A-Level” exams. Students may be awarded up to 30 credits earned via the AICE program. Course grade equivalency is based on the schedule found in the University Academic Catalog.

5. Military Service. Official credentials from military service schools will be evaluated on the basis of American Council on Education (ACE) recommendations. Credit may be granted when courses are equivalent to those offered by FGCU; however, recommendations by the ACE are not binding upon the University.

6. Dantes Subject Standardized Tests (DSST). These tests are designed to test student’s knowledge in a variety of college-level subjects and credit will be accepted based on recommendations for exams and passing scores as determined by the State Articulation Coordinating Committee.

7. Credit by Examination. FGCU colleges and departments may offer examinations for academic credit to undergraduate students upon request. The colleges or departments must be directly contacted concerning the availability of examinations.

V. IMMUNIZATION REQUIREMENT

As a prerequisite to registration as a degree-seeking or non-degree-seeking student, FGCU requires all students born after December 31, 1956, to present documented proof of immunity to measles (Rubeola) and Rubella. All students need to be vaccinated against meningitis and hepatitis B diseases or sign a waiver (if they are over 18 years of age). Prior to initial registration, each student must submit a completed FGCU Immunization History Form to Student Health Services. Students are strongly urged to complete this requirement before attending Orientation.

1. The following are acceptable proofs of immunization and vaccines:

   a) Proof of two MMR or MMRV vaccinations received at least 28 days apart after 12 months of age; or Proof of immunity by way of a blood test result (titer); or
b) Proof of meningitis and hepatitis B vaccines or sign a waiver (if over 18 years of age).

2. Questions about acceptable proof, exemptions, or temporary deferments may be directed to Student Health Services.

3. The University reserves the right to refuse registration to any student whose health record or report of medical examination indicates the existence of a condition which may be harmful to members of the University community.

W. NON-DEGREE SEEKING ENROLLMENT

Non-degree seeking enrollment allows a student to enroll in courses on a space available basis and has been established for those individuals who do not have an immediate intention to pursue a degree program. Former degree seeking students at FGCU who have not completed a degree program will not normally be permitted to enroll in a non-degree seeking category. Successful completion of courses while in this classification does not provide a basis for regular admission at a later date. Students seeking graduate courses on a non-degree-seeking basis are considered Post-Baccalaureate (Post-Bac) and should reference Graduate Admissions requirements.

1. Students enrolling in this classification are subject to the following regulations:

   a) Non-degree seeking students are subject to the same University rules and regulations as degree seeking students.

   b) International students may only enroll as non-degree seeking students with permission from the University due to limitations of certain visa statuses and federal regulations.

   c) Non-degree seeking students are not eligible to receive financial aid.

   d) Non-degree seeking students are not eligible to stay in University housing or to receive University honors.

   e) A degree-seeking student denied admission to FGCU may not subsequently enroll as a non-degree seeking student. This restriction will be waived if the student subsequent to the denial from FGCU has completed a degree program or has been a student in good academic standing at another postsecondary institution. Official transcripts will be required in these cases.

   f) A non-degree seeking student dismissed from the University will not be eligible for admission as a degree-seeking student.

   g) A non-degree seeking student is limited to 15 credit hours of undergraduate coursework. A college may waive this restriction for students wishing to enter specific degree programs in special circumstances.
h) Hours taken at FGCU as a non-degree-seeking student cannot be used to meet the 60 transferable hours required for admission as an upper division student.

i) A non-degree seeking student must be in good academic standing at his/her previous institution (including FGCU) and eligible to return.

j) Registration for classes is on a space available basis, subject to any required course prerequisites and other restrictions as determined by the applicable College or Program.

k) Registration is in accordance with the deadlines posted on the academic calendar.

l) First-time-in-college students will not be allowed to enroll as a non-degree seeking status student.

2. Application Procedure

Application procedures for non-degree seeking students or transient students are provided on the undergraduate admissions website and the Office of the Registrar’s website.
