Forms may be obtained at the University Police and Safety Department, Division of Parking Services. Faculty/staff and students shall file appeals electronically through the Division of Parking Services website at http://admin.fgcu.edu/police/appeals.html.

Lack of parking spaces or the failure of others to observe these regulations shall not be valid defenses to violation of the University's parking and traffic regulations. The appeal shall include a current and accurate address where notices can be sent and received. The Director of University Police or designee shall make a determination whether to grant the appeal within fourteen (14) days of receipt of the appeal. The board may request additional information prior to rendering its decision and may hear the testimony of the appellant, witnesses or the citing officer. The board may modify the penalties provided in Section 6C10-8.006. Such modification may include a reduction in penalty or a warning to the appellant. The board shall render a decision within thirty (30) days of the close of the hearing and notify the appellant in writing.

The appellant will also be subject to any other administrative action authorized by these regulations to collect all outstanding fines and fees.

(5) Towing and Impoundment; Vehicle Immobilization.

(a) Towing and Impoundment. The University is authorized to tow and impound any vehicle, which is found to be parked in violation of this Chapter. The towing and impoundment of a vehicle shall be used as a last resort under the following conditions: the vehicle is abandoned per Regulation 6C10-8.001(3)(a); the vehicle is parked in a disabled accessible or reserved space for which it is not permitted; the vehicle is creating a hazardous parking condition; the parking decal/permit is fraudulent; or the registrant is deemed a chronic violator in that they have obtained three or more citations during a school term which have remained unpaid or unsatisfied during that term.

(b) Immobilization. As an alternative to towing and impoundment, the University may immobilize a vehicle by attaching a “boot” or similar wheel lock device when there are two (2) or more University traffic or parking citations outstanding against the vehicle and timely action has not been taken to pay or appeal the citations. A vehicle may also be immobilized when it is found to display a lost, stolen, forged or altered University parking decal/permit. At the time of attachment, a notice shall be affixed to the vehicle which states the sum of outstanding fines and fees that must be satisfied before the wheel lock will be removed and the location where the moneys can be paid. A $30.00 immobilization fee shall be charged in addition to all other fines and fees which are due and owing.

(c) Release of Vehicle. All outstanding fines and fees against the vehicle must be satisfied before a vehicle will be released from impoundment or immobilization. A person whose vehicle has been towed and impounded or immobilized may challenge the validity of the action by filing a written appeal to the University Traffic Appeals Board within ten (10) days of the date the vehicle was released, using UPD Form #1001 (4/06). The Director of University Police and Safety or designee shall review and determine whether an immediate release of the vehicle is warranted. If the subsequent appeal to the University Traffic Appeals Board is granted, the University shall refund the amount charged for towing and impoundment of the vehicle.
