A. INTRODUCTION

The Student Code of Conduct exists: (1) to define the behavioral rights and responsibilities of Florida Gulf Coast University Students and Registered Student Organizations (2) to foster and enhance the academic mission of the University, (3) to protect the rights of all University students, faculty, and staff, (4) to protect University property, (5) to protect the University community from disruption and harm, and (6) to encourage appropriate standards of individual and group behavior.

B. SCOPE

The right of all students to seek knowledge, form opinions, and freely express their ideas is fully recognized by the University. The Student Code of Conduct applies to student conduct and will not be used to discipline the lawful expression of ideas. These regulations shall apply to all Students and Registered Student Organizations as defined in this policy of the University and shall be deemed a part of the terms and conditions of admission and enrollment of all Students.

The University’s jurisdiction regarding discipline is generally limited to the conduct of any Student or Registered Student Organization that occurs on University Premises or while participating in University programs, including University Housing and study abroad or exchange programs. However, the University reserves the right to impose discipline based on any Student Conduct, regardless of location, that may adversely affect the University community.

The University’s conduct process may be instituted based upon a Student’s alleged conduct that, if committed, would violate criminal law or this Student Code of Conduct without regard to the pendency of civil or criminal litigation. Proceedings under this Student Code of Conduct may be carried out prior to, simultaneously with, or following civil or criminal proceedings at the discretion of the President or designee.

C. AUTHORITY

1. The University Board of Trustees has delegated to the University President the final responsibility and authority for the discipline of University students. The President has further delegated this authority to the Vice President for Student Affairs to enforce University regulations, policies, and state and federal law, related to the conduct of students.
2. Registered Student Organizations are also disciplined under this Regulation.

3. The following procedures are designed to promote fairness, and will be adhered to as faithfully as possible. If exceptional circumstances dictate deviation from these procedures, the deviation will not invalidate a decision unless the deviation prevents a fair hearing or abrogates the rights of a student.

4. Failure of a Student or Registered Student Organization to comply with federal or state laws or University regulations and policies may subject violator to appropriate action by University authorities or referral to the appropriate civil and criminal authorities. A determination of a serious violation of established laws or University regulations may be recorded in the Student’s or Organization’s disciplinary record in the Dean of Students’ Office and in the Office of the Registrar if the Student is suspended or expelled.

F. INTERIM SUSPENSION

1. Authority of University

The Dean of Students or designee is authorized to determine if an alleged violation by a student or a registered student organization warrants an interim suspension or removal from the University or from Housing at any time prior to the conclusion of the University’s disciplinary process, including the appeal process. The criteria used in making this determination are:

a) Whether the student or registered student organization poses an ongoing threat of harm, disruption of, or interference with, the normal operations of the University; and

b) Whether interim suspension is necessary to protect the health (physical and mental), safety, or general welfare of the University community or to preserve University property.

2. Student Interim Suspension

a) An interim suspension means a student cannot be on University property, cannot attend classes (including online classes), and cannot use University facilities. An interim suspension may also include removal from Housing. An interim suspension requires the student be notified in writing as soon as practical upon the determination that an interim suspension is warranted. The Notice shall state the basis for the interim suspension and that the student will have the opportunity to inspect all information that initiated the interim suspension. The written Notice will be sent to the student’s electronic University email account and to the last physical address provided by the student to the Registrar’s Office. The University may also communicate the determination verbally to the student but must concurrently deliver the written notice as described above. The Charged Student has three (3) class days from the date of the Notice to make a written request to appeal the interim suspension. The appeal of the interim suspension will be heard by the Vice President for Student Affairs or designee within three (3) class days of receipt of the appeal. The Hearing may be delayed due to a semester break or closing of the University. The Charged Student’s appeal of the interim suspension must be based on one of the following:

1) An egregious error pertaining to the student’s involvement; or
2) A contention that the violation, even if proven, does not pose a threat to the health, safety or general welfare of the University community and thus does not warrant an interim suspension.

b) If it is determined by the Vice President for Student Affairs or designee that an interim suspension is not appropriate, the student’s status will be reinstated and the conduct process will commence in accordance with the Student Code of Conduct. The University Housing status and other activities may be affected pending the outcome of the formal hearing.

c) If the interim suspension lasts for more than ten (10) class days but the Student is subsequently found not responsible for the violation, the Student shall be refunded a pro-rata portion of any charges for tuition and out-of-state fees, as appropriate.

d) The hearing to address the underlying charge for the interim suspension will be addressed in accordance with the Student Code of Conduct.

3. Registered Student Organization(s) Interim Suspension

a) The Dean of Students or designee may impose an interim suspension on a registered student organization. An interim suspension of a registered student organization means an immediate ban of all activities, programs, social events, funding requests, and budget expenditures of the group. If permitted by the Dean of Students or designee the suspended organization may be allowed to conduct business meetings while awaiting a hearing of the alleged violation of the Student Code of Conduct. The registered student organization shall receive written Notice of the interim suspension upon the determination that the interim suspension is warranted. The Notice will be delivered to the Presiding Officer of the registered student organization and the organization’s advisor. The Presiding Officer will have the opportunity to inspect all information that initiated the interim suspension prior to the appeal hearing. A copy of the Notice will also be provided to the Office of Student Involvement or Sport Club Coordinator, as applicable. The registered student organization has three (3) class days from the date of the Notice of interim suspension to make a written request to appeal the imposition of the interim suspension. The appeal of the interim suspension will be heard by the Vice President for Student Affairs or designee within three (3) class days of receipt of the appeal. The hearing may be delayed due to a semester break or closing of the University. The registered student organization’s appeal of the interim suspension must be based on one of the following:

1) An egregious error pertaining to the registered student organization’s involvement; or

2) A contention that the violation, even if proven, does not pose a threat to the health, safety or general welfare of the University community and thus does not warrant an interim suspension.
b) If the Vice President for Student Affairs or designee determines that an interim suspension is not appropriate, the registered student organization’s status will be reinstated and the conduct process will commence in accordance with the Student Code of Conduct.

c) The hearing to address the charge, which is the basis for the interim suspension, will be addressed in accordance with the Student Code of Conduct.

G. PROVISIONS FOR THE CHARGED STUDENT OR ORGANIZATION

The following provisions shall be explained to each Charged Student or Organization during the Conduct Review Conference or prior to the commencement of any conduct hearing:

1. The Charged Student or Organization will receive a fair and impartial hearing in accordance with the requirements of the Code. The date of the Conduct Review Conference or any hearing will be scheduled no earlier than five (5) class days after the date of the Notice, unless waived in writing by the Charged Student or Organization at the time of the Conduct Review Conference.

2. The Charged Student or Organization will receive Notice in writing of the alleged violations filed against him or her or the Organization and the alleged misconduct upon which the charge(s) is based.

3. Reasonable access to the case file will be provided prior to and during the hearing. The Charged Student or Organization may inspect any available information presented in support of the charges and to take notes. The Conduct Review Conference and any hearing will be scheduled to allow no less than three (3) class days for the Charged Student or Organization to review the information.

4. The Charged Student or Organization may decline to make statements in response to the allegations and declining to make a statement shall not be construed as an admission of responsibility.

5. The Charged Student or Organization may be assisted by an advisor of his or her choice, at his or her own expense. The advisor may be present, but may not speak for, present the case for the student, or otherwise participate directly in the proceeding. For hearings not held on the same date of the Conduct Review Conference, the Charged Student or Organization must provide the name of their advisor prior to the date of the hearing and must sign an Advisor form and a Release of Educational Records to a Third Party form.

6. The Charged Student or Organization may hear and question witnesses, except students impacted by Acts of Violence, who are available to provide a statement at the hearing.

7. The Charged Student or Organization may present relevant information and witnesses.
8. The Charged Student or Organization shall not be required to present self-incriminating information.

9. The Charged Student or Organization will be notified in writing of the decision of the hearing body within ten (10) class days from the date of the hearing, unless extenuating circumstances are communicated to the Charged Student or Organization in writing that resulted in a delay of the decision.

10. The Charged Student or Organization may appeal the determination of responsibility in accordance with the requirements of the Code.

H. PROVISIONS FOR STUDENTS IMPACTED BY ACTS OF VIOLENCE

To ensure fairness to students impacted by acts of violence throughout the disciplinary process, the University has established the following position:

1. An Impacted Student may have one person of his or her choice accompany them throughout the Student Conduct Review process. This person will act as a support person or advisor but will not represent the Impacted Student. Moreover, the person will not be allowed to address the Hearing Officer or Hearing Body on behalf of the Impacted Student.

2. An Impacted Student will receive Notice of the hearing no less than five (5) class days prior to the date of the hearing.

3. An Impacted Student may submit a list of questions related to the alleged incident, prior to the hearing. However, the Hearing Officer or Hearing Body shall not be required to ask these questions of the Charged Student or Organization.

4. An Impacted Student may not have his or her past conduct, including sexual history, considered when the Hearing Officer or Body is making a determination of the Charged Student or Organization as to responsible or not responsible.

5. An Impacted Student may make a “student impact statement” and offer to the Hearing Officer or Hearing Body a suggestion of what the Impacted Student believes to be an appropriate sanction for the Charged Student or Organization. This information may be used only in the sanctioning phase of deliberations if the Charged Student or Organization is found responsible for violating the Student Code of Conduct.

6. The Charged Student or Organization will not be permitted to directly question the Impacted Student where the alleged violations are sexual misconduct or abuse. In such cases, the Charged Student or Organization and the Impacted Student shall submit questions to the Hearing Body. However, the Hearing Body shall not be required to ask those questions submitted by the Charged or Impacted Student to the Student who is being questioned.
7. Where the student conduct review process addresses an allegation of sexual misconduct or abuse, Federal law provides that both the Impacted Student and the Charged Student or Organization must be informed of the final outcome of the student conduct review process without a commitment to protect the confidentiality of the information. The "final outcome" means only the final determination with respect to the alleged sexual misconduct or abuse and any sanction(s) that is imposed against the Charged Student or Organization. If the Impacted Student is deceased, the next of kin shall be considered as the alleged Impacted Student for purposes of this paragraph.

8. When the Charged Student or Organization is alleged to have committed sexual misconduct or abuse, the Impacted Student may appeal the outcome of a conduct hearing in writing within three (3) class days from the date of the decision letter by filing a written appeal. If there is an appeal filed by either the Impacted Student or Charged Student or Organization, the other student will be notified of the filing of the appeal and the final outcome.

I. STUDENT CONDUCT REVIEW PROCESS AND PROCEDURES

The President has delegated to the Vice President for Student Affairs or designee authority to implement the Student Code of Conduct. All procedures will be consistent with the rights afforded to students in University disciplinary decisions.

1. Charges

   a) No charges will be considered, and no charges can be filed under the Student Code of Conduct later than six (6) months after the date the alleged violation occurred except allegations of sexual misconduct or abuse may be considered no later than twelve (12) months after the date of the alleged sexual misconduct or abuse. In certain cases, the Vice-President for Student Affairs may waive the time period for filing charges after making a finding in writing that waiving the time period for filing charges is in the best interest of the University.

   b) A review of possible charges may be initiated in the following ways:

      1) Any individual may file a signed written statement to the Dean of Students’ Office concerning an alleged violation of the Student Code of Conduct. The statement should include all information and details specific to the incident including dates, times, location, and the names of any witnesses. The information will be reviewed by the Dean of Students or designee to determine whether Student Code of Conduct charges will be filed or if alternative action is appropriate;

      2) Any information that comes to the attention of the University in any manner, including any electronic social media, that an alleged violation of the Student Code of Conduct is reported to have occurred;
3) The University may also amend its charge(s) or file with new charges based on information obtained through an outside proceeding, additional investigation, or other credible sources where that information is relevant to activity adversely affecting the University community;

4) An admission of guilt in any proceedings is conclusive for adjudicating a Student Code of Conduct violation; or

5) A verdict of guilty, adjudication withheld, a plea of guilty or similar disposition in a court of law by a Charged Student or Organization shall be deemed conclusive that the student is responsible for the purpose of University proceedings.

c) All hearings shall be conducted on the basis that the Charged Student or Organization is not in violation. The burden of proof shall not be upon the Charged Student or Organization who is subject to the hearing.

d) Upon review of the information to determine if there are reasonable grounds to believe that the allegations of the complaint are true, the Dean of Students or designee may:

1) Invoke an Interim Suspension; or

2) Direct the University to commence conduct proceedings.

e) Except in cases where the Dean of Students or designee determines that the safety, health, or general welfare of any part of the University community is at risk necessitating an interim suspension, the student’s enrollment status shall remain unchanged pending the University’s final decision in the matter. Notwithstanding, a hold will be placed on the student’s records pending the outcome of the case. No student may modify his or her registration status in any way while a disciplinary hold is in place.

f) A student’s conduct case record will be retained in the Dean of Students’ Office in accordance with the records retention schedule promulgated by the Florida Department of State.

g) The release of student disciplinary records will be governed by applicable federal and state laws regarding the privacy of education records.

2. Notice

The Charged Student or Organization will be given Notice of the alleged violation(s) of the Student Code of Conduct (i.e. Charge Letter). The EagleMail address or the U.S. Mail address provided by the Charged Student to the Registrar’s Office will be used for all correspondence with the Charged Student. The EagleMail addresses for the Charged Organization’s presiding officers and the official University employee email address for
the advisor will be used for all correspondence with the Charged Organization. The Hearing Officer may place a Hold on student records prohibiting the registration of any student who fails to respond to an official request from the Dean of Students or designee. All pending disciplinary matters must be resolved prior to the awarding of any degree or certificate.

The written Notice will include the following:

a) The Charged Student or Organization’s name, and Charged Student’s University identification number, and may include address, and an incident number;

b) A description of the alleged violation(s) including date(s), time(s), and place(s) of the incident(s) and the resulting charges;

c) Source(s) of information;

d) Link to the provisions in the Student Code of Conduct which apply to the Charged Student or Organization;

e) Notice of the opportunity to review materials received by the University concerning the alleged violations; and

f) Direct student to contact the Dean of Students or designee to schedule a Conduct Review Conference.

3. Student Advisor

a) The Charged Student or Organization may have, at his or her own expense and initiative, one Advisor present at the hearing. It is the student’s responsibility to make appropriate arrangements for the Advisor to attend the hearing time scheduled by the administrative office hearing the case. The Advisor may be present, but shall not speak for, or present the case, for the student or otherwise participate directly in the proceeding. An Advisor may not provide a statement as a witness. The Charged Student must sign a Release of Education Records to a Third Party to allow an Advisor to receive a Student’s information. A hearing will not be delayed or rescheduled based on the availability of an Advisor. For hearings not held on the same date as the Conduct Review Conference, the charged student or organization must provide a completed Advisor Form and Authorization to Release Educational Information to a Third Party Form providing the Advisor access to the disciplinary records.

b) The Dean of Students or designees will directly communicate with the Charged Student or Organization about the case. It is the responsibility of the Charged Student or Organization to relay information about the case to the selected Advisor in the conduct process.
4. Conduct Review Conference

   a) During the Conduct Review Conference, the Charged Student or Organization will have an opportunity to discuss the charge(s) and inspect all information with the designated staff of the Dean of Students’ Office or Housing and Residence Life. The Charged Student or Organization may be accompanied by an Advisor when inspecting the information at the Conduct Review Conference. Although the Advisor may be present at the Conference, the Advisor may not speak on behalf of the Charged Student or Organization or otherwise participate.

   b) If the Charged Student or Organization fails to schedule a conference within five (5) class days of receipt of the Notice or attend a scheduled conference, a formal hearing will be scheduled according to his or her class schedule and will provide the Charged Student or Organization with no less than five (5) class days to review the information presented in support of the charges.

   c) A Charged Student who leaves the University or withdraws from a class before the conduct process is resolved will have a hold placed on his or her record that will prohibit the student from future enrollment until such time as the matter is resolved. The Charged Student’s conduct process will continue regardless of the Charged Student’s academic status or presence at the University.

   d) At the conclusion of the Conduct Review Conference, the Dean of Students or designee will inform the Charged Student or Organization of the options for resolution of the conduct process. These options are an Informal Hearing or a Formal Hearing.

5. Informal Hearing

   a) An Informal Hearing is not an option for cases involving Charged Organizations, alleged sexual misconduct or abuse, or where removal from Housing, or suspension or expulsion from the University may result.

   b) If the Charged Student chooses to accept responsibility for at least one of the charges, the Dean of Students or designee will determine sanctions in accordance with this Code through an Informal Hearing. The Charged Student will be notified in writing of the University’s acknowledgement of the Charged Student’s acceptance of responsibility and the sanctions to be applied. The Charged Student must sign a form acknowledging the waiving of the 24-hour consideration period and rights to a Formal Hearing.

   c) If the Charged Student chooses to request a Formal Hearing, the Charged Student will be notified in writing of the University’s acknowledgement of the Charged Student’s decision to proceed to a Formal Hearing. The notification will also provide the Charged Student with information concerning the Formal Hearing process.
d) The Charged Student will have 24 hours from the Conduct Review Conference to inform the Dean of Students or designee, by either email notification or by written statement, whether he or she chooses a hearing before a Hearing Officer or a Hearing Body, as appropriate. The Charged Student may waive his or her right to the 24 hour time period in writing and select a hearing type following the completion of the Conduct Review Conference. In circumstances where a case is more complex, the University may determine the type of hearing to be utilized for resolution of the case.

e) If additional information becomes available regarding the case following the Conduct Review Conference, the Charged Student will be provided an opportunity to review the information prior to the Formal Hearing.

6. Formal Hearings

There are two types of formal hearings: Administrative Hearings before a Hearing Officer and hearings before a Hearing Body.

a) Hearings are scheduled no earlier than five (5) class days and no later than fourteen (14) class days following the Conduct Review Conference. If extenuating circumstances exists, as determined by the Hearing Officer, the hearing may be delayed. The Charged Student or Organization will be notified in writing of a delay ordered by the Hearing Officer. The Formal Hearing may also be delayed due to a semester break or closing of the University. A Charged Student or Organization may waive, in writing, the scheduled time period and have the case heard immediately by the Hearing Officer following the Conduct Review Conference.

b) Conduct process proceedings under the Student Code of Conduct are administrative in nature. Therefore, the Florida Evidence Code, the Florida Rules of Civil Procedure, and the Florida Rules of Criminal Procedure shall not apply in student conduct hearings.

c) All Formal Hearings will be digitally recorded by the Hearing Body where the Charged Student or Organization has the potential for receiving a sanction of suspension or expulsion from the University and will serve as the official verbatim record of the proceeding. Videotaping of any hearing is prohibited.

d) The Hearing Body determines responsibility of a violation of the Student Code of Conduct. This decision is determined by a preponderance of the information presented. The Hearing Body recommends sanctions, upon a determination of responsibility, to the Dean of Students or designee. In Administrative Hearings, the Hearing Officer determines responsibility and the sanction.

e) Prior records of disciplinary action, Impacted Student statements, and past criminal convictions are considered by the Hearing Body or Hearing Officer only in the sanctioning phase of deliberations if the student is found responsible.
f) If the Charged Student or Organization fails to attend his or her scheduled hearing, the case will be heard in the student’s absence and the student will be informed of the decision in writing.

g) In cases involving multiple students charged, information provided at one hearing may be used as evidence in the related cases(s). When two or more individual cases arise from the same incident, those cases may be heard jointly at the discretion of the Dean of Students or designee.

h) Previously unknown or undisclosed information obtained in a hearing may result in subsequent charges and potentially result in another hearing.

i) Prior to the subsequent hearing, the student will be permitted to inspect any additional information received by the Hearing Officer or Hearing Body.

j) Participants in a hearing may include the Charged Student or Organization, the Hearing Body, witnesses (upon call of the Hearing Body), and the facilitator.

7. Administrative Hearings Conducted by Hearing Officer

a) Administrative Hearings may be conducted by a Hearing Officer who is designated by the Dean of Students.

b) The Charged Student or Organization may request to be notified of the selection of the Hearing Officer for the case and shall have the opportunity to challenge the impartiality of the individual. The Charged Student shall state in writing the basis for such challenge at least two (2) class days prior to the hearing date. The Dean of Students or designee shall determine whether the Hearing Officer is impartial. A Hearing Officer determined not to be impartial will be excused; however, indiscriminate challenges shall not be permitted.

c) The Dean of Students or designee may refer cases directly to the Hearing Body.

d) At an Administrative Hearing conducted by a Hearing Officer, that Hearing Officer shall determine whether the Charged Student or Organization is responsible for the violation(s) of the Student Code of Conduct. If found responsible, the Charged Student or Organization will be given an appropriate sanction by the Hearing Officer.

8. Hearings by a Hearing Body

a) The Student Conduct Committee shall include University faculty, staff, and students. Each Student Conduct Committee shall have no less than fifty percent (50%) of its membership include students and will be comprised of at least three total members. Membership on the Residential Conduct Committee shall only include residential students and does not include faculty and staff.
b) The following order of presentation is recommended for use in hearings conducted by a Hearing Body. The order of business may be adjusted by the facilitator or chair.

1) Introduction of the Hearing Body and Charged Student or Organization.

2) Presentation of charges by the Chair of the Hearing Body.

3) The Charged Student or Organization is provided the opportunity to answer “responsible” or “not responsible” to the alleged violation(s).

4) Opening statement of the Charged Student or Organization.

5) Questions directed to the Charged Student or Organization by the Hearing Body.

6) Presentation of witnesses by the University, followed by questioning of those witnesses by both parties except in cases involving students impacted by an Act of Violence. Each witness is dismissed after questioning.

7) Presentation of witnesses by the Charged Student or Organization, followed by questioning of those witnesses by both parties except in cases involving students impacted by an Act of Violence. Each witness is dismissed after questioning.

8) The facilitator may limit the length of testimony of any witness or participant in the hearing if the information is redundant or irrelevant to the case.

9) Closing statement of the Charged Student or Organization.

10) All persons are excused from the hearing room for deliberations except the Hearing Body and facilitator. The facilitator does not participate in the deliberations but may advise the Hearing Body as appropriate.

11) The Hearing Body considers only information introduced in the hearing. The decision of responsibility is based on the preponderance of information and is decided by a simple majority vote. In cases of a tie, the decision will be made in favor of the Charged Student or Organization. Previous violations are to be considered only in the sanctioning phase of deliberations.

12) The decision of the Hearing Body as to responsibility of the Charged Student or Organization for the alleged violations and recommended sanctions is given to the facilitator and then to the Dean of Students or designee.

c) The Dean of Students or designee makes the final decision and communicates the decision in writing to the Charged Student or Organization within ten (10) class days following the hearing, unless extenuating circumstances exist. The Charged Student or Organization will receive written Notice of any extension of the time to provide Notice of the decision. Any difference between the recommendations of the Hearing
Body and the decision of the Dean of Students or designee and the reasons for those differences will be included on the written decision.

d) The Charged Student or Organization is informed of the process to appeal the decision of the Hearing Body.

e) Postponement of the hearing will only be allowed at the discretion of the Dean of Students or designee.

f) Any participant, including the Impacted Student, Charged Student or Organization, or an Advisor, determined by the hearing body to be unruly or disruptive to the hearing process, will be removed from the hearing. A Charged Student or Organization may be subject to additional charges for violation of the Student Code of Conduct related to the removal from the hearing for unruly or disruptive behavior.

9. Witnesses

a) The University cannot compel any person to attend a student conduct hearing on behalf of the Charged Student or Organization. The Charged Student or Organization is responsible for arranging for his or her own witnesses and presenting information during the proceeding. The Charged Student or Organization may hear and question witnesses, except students impacted by Acts of Violence, who are available to provide a statement at the hearing. The Hearing Officer or Hearing Body shall have the authority to limit the number of witnesses in order to avoid unreasonable delays where the testimony of these witnesses is repetitious or irrelevant.

b) It is at the discretion of the Hearing Officer or Hearing Body to call witnesses to support the charges against the Charged Student or Organization in an Administrative or Hearing Body hearing proceeding.

c) Character statement may be provided in writing for consideration during the sanctioning phase.

d) Witnesses may not serve as the Advisor to an Impacted Student or Charged Student or Organization.

e) The Charged Student or Organization is responsible for arranging the attendance of witnesses to present a statement at the Formal Hearing. A hearing will not be delayed or rescheduled based on the availability of a Witness.

f) Witnesses who are students impacted by Acts of Violence may provide a statement in accordance with Section H of the Code.
10. Disciplinary Sanctions

a) As provided for in Section 7.C of the Code, the Dean of Students or designee may impose the following sanctions or combination of sanctions (with or without appropriate modifications) upon any student found to be responsible for a violation of the Student Code of Conduct:

1) Reprimand – An official written disciplinary warning that the student’s behavior is in violation of the Student Code of Conduct, and that if the student is subsequently found responsible for another such violation while on disciplinary warning, subsequent action may be imposed.

2) Restorative Service Hours – Assignment to perform tasks or services under the supervision of a University department or community service agency. These hours may not be used to fulfill service learning graduation requirements.

3) Educational Activities - An assignment of activities including, but not limited to, reflective or research papers, classes or seminars, or other such activities that address the subject matter of the violation.

4) Counseling Assessment and Compliance – Referral for assessment (at the student’s expense) to a licensed mental health professional or counseling center for general mental health or other counseling issues. Students found responsible for alcohol, drug or behavioral violations may be referred to the FGCU Counseling and Psychological Services (CAPS) Office or to an outside agency or counselor based on the seriousness of the violation. Students must comply with all recommendations established as a result of any assessment resulting from the imposition of this sanction.

5) Restitution – Payment to compensate for actual damages or loss of services to the University or the Impacted Student.

6) Disciplinary Probation – A period of time during which the student is considered not in good standing. Restrictive conditions may be imposed as an element of probation and vary according to the severity of the offense. Restrictive conditions include, but may not be limited to, the following: denial of the privilege to occupy a position of leadership or responsibility in any University Registered Student Organization (RSO), publication, or activity, or ability to represent the University in an official capacity or position. If the student is found responsible for another violation of the Student Code of Conduct during the period of Disciplinary Probation, a sanction of suspension or expulsion from the University may be imposed.

7) Student Organization Probation – A period of time during which an Organization is considered not in Good Disciplinary Standing with the University. The Organization is not permitted to engage in, participate in, host, or sponsor social
events or mixers for the duration of the probation. Any other event or activity, including official business, meetings, brotherhood/sisterhood, events, or philanthropic activities must be approved in advance by the Office of Student Involvement or the Sport Club Coordinator, in consultation with the Dean of Students.

8) Organizations are not permitted to host events off-campus, host events that involve alcohol, participate in any Greek Week events (when applicable), or participate in intramural sports or other social competitions.

9) Organizations are subject to suspension or revocation of University recognition should they violate policies while on Disciplinary Social Probation.

10) Organization probation periods that are longer than three (3) semesters may be reviewed to determine eligibility for participation in University events in the year following the year in which probation as imposed. This review will be held by the Office of Student Conduct, Student Involvement, and Campus Recreation.

11) Restrictions – Restrictions may be imposed on a student which include, but are not limited to:

   ii) Entrance to University Housing areas or any other areas on campus or University property.

   iii) Prohibition on contact with a specified person(s) within the University Community.

12) Change in University Housing assignment – Reassignment of the student to another location in University Housing.

13) Exclusion and removal from University Housing – The Charged Student is prohibited from visiting University Housing unless prior approval has been given by the Dean of Students or designee. A Charged Student may be allowed to be present in University Housing conference rooms or Academic Advising Offices, with the prior approval of the Dean of Students or designee. The Charged Student will be informed that he or she will be trespassed from the campus by the University Police Department should he or she be found on University Housing grounds without approval.

14) Removal from the classroom and/or the course - including but not limited to: dismissal from the course or reassignment to another section.

15) Suspension- A period of time when a student may not attend classes, or participate in University related activities, whether the class or activity occurs on
or off campus. The Registrar’s Office is instructed to place an Overlay on the student’s transcript during the period of suspension indicating the period of suspension. Further, while on disciplinary suspension, a Hold will be placed on a student’s record to prevent registration. All assigned educational sanctions must be completed prior to the restoration of student privileges; otherwise, the disciplinary suspension will remain in effect. A suspended student is not permitted on University property during the length of their suspension. If a suspended student is found on University property, the University Police will be notified.

16) Disciplinary Expulsion- Removes the student from his or her academic program and permanently separates the student from Florida Gulf Coast University without opportunity to graduate or re-enroll. The Registrar’s Office is instructed to permanently place an Overlay on the student’s transcript indicating the expulsion. Further, a Hold will be permanently placed on the student’s record to prevent future registration. An expelled student is not permitted on University property. If an expelled student is found on University property, the University Police will be notified.

17) Withholding of registration, diplomas, transcripts or other records.

b) The following sanctions may be imposed upon an Organization found to have violated the Student Code of Conduct:

1) Sanctions listed in Section I.10.7 above.

2) Disciplinary Suspension or Disciplinary Expulsion of Organization, which includes temporary or permanent loss of recognized status with the University.

3) Additional sanctions specific to Organizations, which may be found in the Organization’s Constitution, the Office of Student Involvement policies, and the by-laws or regulations of a national affiliate, if applicable.

c) Any sanction that separates a Charged Student from the University will be noted on that Charged Student’s academic transcript. A lesser sanction will not be noted on the transcript. The following notation will be added to the transcript while suspension or expulsion is in effect. “The student is not in good standing with the University. For more information, contact the Dean of Students’ Office.”

d) Decisions regarding falsification of admission or re-admission information may be forwarded to the appropriate office for review of the application and appropriate action regarding admission.

e) A Charged Student who fails to complete sanctions will have a disciplinary hold placed on his or her record. This hold will affect the Charged Student’s ability to register for classes and the student may receive additional charges under the Student
Code of Conduct. Disciplinary holds will not be removed until the sanctions are completed.

f) A Charged Student may be asked to provide the Hearing Officer with a sanction status report.

**J. APPEALS WITHIN THE STUDENT CONDUCT REVIEW PROCESS**

1. Appeal Requests

   The Charged Student or Organization may appeal the outcome of a conduct hearing in writing within three (3) class days from the date of the decision letter by filing a written appeal. The appeal of the outcome of a conduct hearing held by the Hearing Officer shall be considered by the Dean of Students or designee. The appeal of the outcome of a conduct hearing held by the Hearing Body shall be considered by the Vice President for Student Affairs or designee. An appeal must be based on one or more of the following grounds:

   a) Due process errors involving the University’s failure to provide the Charged Student or Organization with Notice or an opportunity to be heard;

   b) The sanction(s) is (are) extraordinarily severe in relation to the offense committed; or

   c) New information can be provided that was not available at the time of the original proceeding.

2. Appeal Hearings

   a) The necessity for an appeal hearing will be at the discretion of the University Official to which the Charged Student or Organization has appealed. This decision is based on the Charged Student’s or Organization’s written information provided in the appeal. If an appeal is granted, the burden of proof rests with the Charged Student to show, by a preponderance of the information presented, that the grounds for an appeal have been met.

   b) If an appeal is permitted, it will be scheduled within ten (10) class days of receiving the written request for appeal unless good cause exists for deferring the scheduling more than ten (10) class days after receiving the Noticed appeal. The Charged Student may waive the ten (10) day period and request the appeal be heard at a mutually agreeable time.

   c) Students impacted by acts of violence may participate in the appeals process pursuant to Section H of the Code.
d) The Charged Student is permitted to continue to attend classes while under appeal and, unless otherwise notified in writing by the Dean of Students or designee, is permitted to continue to live in University Housing.

3. Appeal Decisions

a) Based on information presented on appeal, the original determination may be upheld, modified, reversed, or a new hearing may be ordered. The appeal decision shall be communicated to the Charged Student or Organization in writing. The decision shall state the reasons for the original determination being upheld, modified, reversed or that a new hearing will be ordered.

b) All appeal decisions are communicated in writing to the Charged Student or Organization within ten (10) class days of the appeal hearing, unless notification is given that additional time is necessary for consideration of the record on appeal.

c) The Charged Student’s academic status will remain unchanged during the appeal or review process; however, University Housing status and other activities may be affected.

d) The appeal decision of the Vice President for Student Affairs or designee is final and the Charged Student or Organization shall be informed that they may appeal the final decision to an outside judicial forum.

K. STANDARDS FOR BEHAVIOR IN THE CLASSROOM

Faculty members have the primary responsibility of managing the classroom environment whether in-person or online. Faculty members may remove a student from the classroom for disruption on the day that it occurs. If the student continues to disrupt the classroom, the faculty member should make a written incident report to the Dean of Students’ Office. The report is processed in accordance with the investigation and student conduct review process as outlined in the Student Code of Conduct.

L. RESOLUTION OF ALLEGATION OF ACADEMIC DISHONESTY

1. A student charged with academic dishonesty will have the case resolved as follows:

a) The faculty member of record for the class communicates with the Charged Student and informs him or her of the allegations against them. If the Charged Student accepts responsibility for the academic dishonesty, the student will receive an academic sanction determined by the faculty member of record, which may include a failing grade in the class. In concert with this meeting, the faculty member completes the Faculty Referral/Summary Adjudication Form and secures the signature or other form of acceptance by the Charged Student. Faculty Referral/Summary Adjudication forms are available online at:
The completed Faculty Referral/Summary Adjudication form is then submitted to the Dean of Students’ Office to be included in the student’s conduct file.

b) If, after the faculty member of record communicates with and informs the student(s) of the allegation against him or her, the student denies responsibility for the actions or the allegations are so egregious (such as the student(s) having more than one incident of academic dishonesty on record with the University or in the course), the matter is immediately referred to the Dean of Students’ Office to coordinate the hearing process.

c) Faculty must contact the Dean of Students Office with the student’s name and University Identification Number (UIN) to determine if the student has a prior academic dishonesty history. Only emails sent from the faculty’s University email account will be accepted.

d) The faculty member of record in the class informs the student(s) that he or she has been submitted by direct faculty referral for a suspected academic integrity violation to the Dean of Students’ Office for investigation of the allegation and to coordinate the hearing process through the Academic Integrity Committee.

e) Once the Dean of Students Office has been contacted, upon request of the faculty member making the referral, the Dean of Students Office will notify the Registrar’s Office that the student may not withdraw from the class during the investigation/hearing process. If a student attempts to drop a class prior to the end of the investigation/hearing process, the student will be restored to the class roster and the appropriate grade or penalty will be imposed, if applicable. The faculty member is responsible for notifying the student that he or she has been reenrolled in the class.

f) In circumstances where a case is more complex, the University may determine the type of hearing to be utilized for resolution of the case.

g) The Charged Student may inspect any available information presented in support of the charges and take notes prior to the hearing with the faculty member or the Academic Integrity Committee.

h) The Academic Integrity Committee will hear the case and make a determination of whether there is a preponderance of information to find the student responsible for academic dishonesty. If the student is determined to be “responsible” for academic dishonesty, the committee will recommend a disciplinary sanction which may include expulsion.

i) The Dean of Students will review the decision of the Academic Integrity Committee, make the final determination, and provide written notice of the determination to the student and faculty of record. The final determination will include the basis for the
determination and if the determination of the Dean of Students is different from the recommendation of the Committee, then the reasons of those differences will be included in the written decision.

j) After the determination by the Academic Integrity Committee, the faculty of record will assign the student a final grade (which may include a failing course grade). The faculty member may then, if necessary, process the appropriate grade change with the Registrar’s Office.

2. Academic Integrity Committee

a) The Academic Integrity Committee is coordinated by the Dean of Students’ Office to resolve cases of alleged academic dishonesty referred by the faculty. It is comprised of faculty and students in the following structure:

b) The Dean of Students or designee serves as Facilitator to the Academic Integrity Committee to coordinate the hearing process and to assist the committee in providing fair and impartial hearings for students accused of academic dishonesty.

c) Five (5) faculty members from each academic college are recommended by the Dean of the College to serve for a one-year appointment that can be renewed.

d) Two (2) students from each college are selected in consultation with Student Government through an interview process established by the Dean of Students’ Office.

e) When a student is referred for a hearing, the Dean of Students’ Office convenes a committee from the pool of appointees to serve on the committee for the case using the following guidelines:

   1) Two (2) faculty members from the college making the referral (if available),
   2) One (1) faculty member from any of the remaining colleges, and
   3) Three (3) students from a different college than the college making the referral (if available).

f) The Chair of each hearing will be selected from the committee members comprising the Hearing Body.

g) Charged Students have the right to appeal a decision of the Academic Integrity Committee to the Vice President for Student Affairs or designee in accordance with the appeal procedure described herein.

h) The Academic Integrity Committee process is separate from the Grade Appeals process, which is managed by the Colleges in the Division of Academic Affairs.
M. CONDUCT PROCEDURES FOR VIOLATIONS OCCURRING DURING THE LAST TWO WEEKS OF THE FALL OR SPRING SEMESTER OR DURING SUMMER SESSIONS

When a student is charged with violations occurring during the last two weeks of the semester or during summer sessions, the Dean of Students’ Office or designee will determine the type of hearing provided for the student to ensure that the student is given adequate Notice and that due process is observed. Only under certain circumstances, hearings may occur in the subsequent semester. Such circumstances include, but are not limited to, complex, extenuating circumstances, such as emergency or illness of the Charged Student, faculty, staff, or witness, or end of the term when the violation(s) occurred.

N. PERIODIC REVIEW OF THE STUDENT CODE OF CONDUCT AND STUDENT CONDUCT REVIEW PROCESS

The Vice President for Student Affairs or designee shall establish a committee to review the Student Code of Conduct and Student Conduct Review Process. The committee shall review the Student Code of Conduct and Student Conduct Review Process at least once every two years. The committee membership shall have students make up at least one half of the membership.
