(1) The term "motor vehicle" includes any automobile, truck, watercraft or other vehicle designed primarily for transporting persons, and construction vehicles or farm equipment.

(2) The University has the authority to:
   a. Establish standard classes of motor vehicles to be leased, purchased or used by University personnel;
   b. (b) Obtain the most effective and efficient use of motor vehicles for University purposes;
   c. Establish and operate facilities for the acquisition, disposal, operation, maintenance, repair, storage, control and regulation of University-owned motor vehicles. Acquisition may be by purchase, lease, installment-purchase, loan or by any other legal means and may include a trade-in. All motor vehicles purchased or leased shall be of a class that will safely transport University personnel and adequately meet the requirements of the University.
   d. Contract for specialized maintenance services.

(3) Motor vehicles owned, leased or operated by the University shall be used for official University business only.
