Federal Work Study and Campus Employment

Students who have not received Federal Work Study eligibility as part of their financial aid package are typically not eligible for positions that are listed as “Work Study.” Students that have Work Study eligibility can apply to all campus positions they are qualified for.

How do you know if you have Federal Work Study?

If you submitted a Free Application for Federal Student Aid (FAFSA), it will be indicated in your Gulfline account. You should receive an email once your financial aid has been awarded. Any questions, check with Financial Aid by calling 590-7920.

If you did not submit a FAFSA, then you are not eligible for Work Study.
