Dear New Eagle,

The entire staff of the Office of New Student Programs would like to congratulate you on your admission to Florida Gulf Coast University! Our office is responsible for Eagle View Orientation (EVO), First Year Advising, and Parent and Family Programs. Attending orientation is the first step toward Completing the University Experience and it is designed to help make your transition to college as smooth as possible.

Now that you have registered for your on-campus EVO session, be sure to carefully review the information that follows and complete the tasks in our EVO checklist before attending your program. By doing so, your orientation experience will be much more enjoyable for you and your family. This checklist is designed to introduce you to some important information and to answer some basic questions before you arrive on campus. We hope this will take some of the mystery out of your transition to FGCU and give you an idea of what to anticipate when you come to campus for your EVO program.

We look forwarding to seeing you soon!

The Staff of the Office of New Student Programs
Your Orientation Checklist
Please use this checklist prior to attending orientation.

- **Make sure you can attend both days of the orientation program.**
  Eagle View Orientation for First Time In College (FTIC) students lasts two (2) full days! In order to complete course registration, you **MUST** attend the entire orientation program (including the overnight campus stay on Day One) regardless of where you live. If you are not present for the entire program, you will not be allowed to register for classes. **The 2nd day of the program ends for students no later than 5:30 p.m.**

  If you are unable to attend both days in their entirety, please reschedule your orientation session via your Gulfline account. Instructions can be found here: [http://studentservices.fgcu.edu/NewStudentPrograms/orientationregistration.html](http://studentservices.fgcu.edu/NewStudentPrograms/orientationregistration.html).

  ** Students are not allowed to leave campus or invite guests to campus during the evening of Day One. If they do so, their registration may be prohibited and they may be asked to attend another program in its entirety prior to course registration.

- **Be sure to submit your immunization form as soon as possible.**
  You will be unable to register for classes if your immunization records have not been received by Student Health Services. Please be directed to the immunization website for more information: [http://www.fgcu.edu/studenthealth/immunizations.html](http://www.fgcu.edu/studenthealth/immunizations.html)

  To see if your records have been processed, you may go online and follow the directions below:

  **View Holds via Gulfline**
  1. Go to [http://gulfline.fgcu.edu](http://gulfline.fgcu.edu)
  2. Click “login to Gulfline”
  3. Login using your UIN and PIN
  4. Click on “Student and Financial Aid”
  5. Click on “Student Records”

  You can fax your immunization records to Student Health Services at (239) 590-7968.

  ** If you must bring your immunization records to orientation, staff from Student Health Services will be present during program check-in to receive these documents, but please be aware it can take up to 72 hours to process.

- **If needed, family members should arrange for overnight accommodations.**
  New Student Programs does not provide overnight accommodations for family members. A list of local hotels can be found on our website: [http://studentservices.fgcu.edu/NewStudentPrograms/lodging.html](http://studentservices.fgcu.edu/NewStudentPrograms/lodging.html)
☐ If you or a member of your family has a disability, please make arrangements in advance for any necessary accommodations to attend EVO.
FGCU maintains accessibility to university and program events per the Americans with Disabilities Amendments Act of 2008 (and other state statutes). By making arrangements prior to your EVO session, you will assist us in providing you with a more enjoyable experience.

Students and Parents or Family Members:
If you require an accommodation to participate in EVO, contact the Office of Adaptive Services at (239) 590-7956 or (800) 590-3428. Accommodation requests should be received at least one week prior to your orientation session. If you need hearing or speech assistance to place a telephone call to this office, do so via Florida Relay at 711 (TTY, VCO, HCO, ASCII or Speech-to-Speech).

☐ Let us know if you are expecting to transfer college credit.
If you took college courses while in high school (through Dual Enrollment) or are currently enrolled in summer classes totaling 18 or more credit hours, please email freshmanadvising@fgcu.edu with your full name, UIN, major, and how many credits you are expecting to transfer to FGCU, so we can connect you with the appropriate Academic Counselor during orientation!

☐ Prepare for the academic components of your orientation program.
To fully prepare for the process of selecting and registering for your courses, be sure to take a close look at some important information for building a great freshman schedule.

Your ACT/SAT Mathematics score will help us determine your initial placement into a mathematics course, but we will provide an opportunity for you to take a Mathematics Placement Test during orientation. This way we can ensure that you enroll in a math course that is appropriate for your ability level and your major, especially if your major requires additional math courses (beyond the General Education Program).

For more information about this placement test, including some sample questions to help you know what to expect, click here.

☐ Print your EVO Parking Pass before heading to campus:
You can find the pass on your EVO registration confirmation page located in Gulfline. For instructions on how to access this information, please see our website: http://studentservices.fgcu.edu/NewStudentPrograms/orientationregistration.html.

** Print out the parking pass and put it on the dashboard of your vehicle when you park in Garage Three, so you do not get a ticket while attending the program.

Leave your overnight belongings in your vehicle if you are attending orientation with a parent or guest. If you are a student attending orientation without parents or guests or are being dropped off, please bring your overnight belongings with you to check-in and they will be stored until you check in to housing. Housing check-in will take place on the evening of Day One.
Plan to arrive on campus with enough time to check in before the program begins.

Please plan your travel time so you do not miss the start of the program!

Obtaining your Eagle ID Card

Your Eagle ID is your primary form of identification used on campus, allows you access to buildings, events, activities, and your meal plan. It can even be used to make purchases through Eagle Dollars and Dining Dollars. Please remember to bring a valid government issued photo ID to receive your FGCU Eagle ID.

FGCU and Wells Fargo have teamed up to offer you added banking convenience by linking your Eagle ID Card with a Wells Fargo College Checking account. To make an informed decision and learn more about linking your Eagle ID Card, visit the Enhanced Eagle ID Card website.
Dining on Campus

Dining is an important part of the college experience, and Eagle View Orientation is no exception!

Lunch is on-your-own for both days of orientation, but staying on campus is a must due to the orientation schedule. Chick-fil-A, Brahma, Einstein’s Bros Bagels and Papa John’s are all located in the Cohen Center and will be open during orientation. (Please find our full listing of hours on our website: www.dineoncampus.com/fgcu)

Skip the lines and save money at lunch by pre-purchasing an Einstein’ Brothers Bagels boxed lunch for only $5.00! Boxed lunches include: sandwich or salad entrée, chips and a bottled water. To purchase, please visit the FGCU Campus Dining kiosk just outside the Cohen Center Ballroom after check-in.

Families are encouraged to join their students for dinner at SoVi Dining in South Village on Day One. The price of dinner is included in both the student and parent registration fee. Dinner tickets will be provided to parents and guests during program check-in. Students need to make sure they are wearing their EVO lanyards when they enter SoVi Dining for dinner.

Staff from FGCU Campus Dining will be available throughout your entire Orientation to answer questions regarding campus dining and meal membership options. The Meal Membership kiosk is located conveniently in the Cohen Center.

Don’t miss out on the exclusive perks to purchase your Meal Memberships during your Eagle View Orientation program! To sign up for a meal membership call (239)590-1226, email mealplans@fgcu.edu or visit www.dineoncampus.com/fgcu.
