SUBJECT: 2006-07 Tuition and Fee Regulations

PROPOSED BOARD ACTION

Approve amendments to permanent FGCU Regulations 6C10-7.001, Tuition and Fees, 6C10-7.003, Special Fees, and 6C10-7.004, Prompt Payment to Vendors; and, adopt Emergency Regulations FGCU-ER-06-01, Fall 2006 Tuition and Fees, and FGCU-ER-06-02, Fall 2006 Special Fees.

BACKGROUND INFORMATION

Sections 1001.74(11) and 1009.24, Florida Statutes, and the Florida Board of Governors Regulation Development Procedure for State University Boards of Trustees require the FGCU Board of Trustees to establish tuition and fees for the University. The proposed amendments to Regulation 6C10-7.001, Tuition and Fees, implement the three percent (3%) increase in tuition for in-state undergraduates as required by the 2006-07 General Appropriations Act, HB 5001. In addition, the amendments increase the transportation access fee to $7.00 per credit hour and convert the health fee to a per credit hour amount of $6.03.

In Regulation 6C10-7.003, Special Fees, references to a registration fee for zero-hours and audit courses are deleted. Also, the methodology for assessing a returned check fee has been updated to reflect a recent statutory change to Section 832.07(1), Florida Statutes. With respect to Regulation 6C10-7.004, Prompt Payment to Vendors, the proposed changes are technical and relate solely to citations of authority for the regulation.

The text and fee structure set forth in FGCU Emergency Regulations FGCU-ER-06-01, Fall 2006 Tuition and Fees, and FGCU-ER-06-02, Fall 2006 Special Fees, are identical to the above-described permanent regulations.
In accordance with Section D, Adoption, of the regulation development procedure, the permanent regulation changes will become effective upon approval by the Board of Governors or sixty (60) days after being submitted to the Board of Governors for approval, whichever is earlier, unless the Board of Governors disapproves the regulations.

In accordance with Section I, Emergency Regulations, of the regulation development procedure, the emergency regulations will become effective on July 1, 2006, as stated in the emergency regulation notice. Emergency regulations remain effective for a period no longer than ninety (90) days.

(2)(cb) Repeat course fee. A student enrolled in the same undergraduate course more
than twice shall be assessed an additional $170.22 $161.70 per credit hour charge for
each such course. A student enrolled in the same college preparatory course more
than twice shall be assessed an additional $188.40 per credit hour charge for each such
course.
(3) Payments on Accounts Due the University. Charges against a student's account for loss or breakage of University equipment, lost books, library or parking fines and other related charges are due immediately. University policy prohibits registration, or release of transcript and diploma for any student whose account with the University is delinquent.

(4) Registration occurs when a student:

(a) Selects one or more credit courses approved and scheduled by the University; and

(b) Pays tuition and fees, partial or otherwise, or makes other appropriate arrangements for tuition payment (deferment, or third party billing) for the courses in which the student is enrolled as of the end of the drop/add period. The University does not have a plan for installment payment of fees.

(5) Payment. Tuition and registration fees must be paid in full by the date designated in the University Student Schedule and Fee Statement as the "last date to pay fees" for each semester. Payments shall be made at the Cashier's Office or by mail and received no later than that date. The President or designee will extend the deadline for fee payment when payment by the student is delayed due to University action or inaction.

(6) Liability for payment of tuition is incurred at the point at which the student has completed registration. Students are liable for all fees associated with all courses in which they are registered at the end of the drop/add period.

(7) Cancellation of Registration. A student's course schedule shall be canceled when tuition has not been paid in full or when arrangements for payment have not been made through the Office of Financial Aid or the Cashier's Office. By the published "last date to pay fees" students awaiting receipt of financial aid must pay any additional amount due before the end of the last day to pay fees to prevent cancellation of the course schedule. A student whose course schedule has been canceled cannot thereafter attend classes and will not obtain credit for courses. A student whose course schedule has been canceled will be mailed written notice of cancellation to his/her last known address on record and be given a deadline by which he/she may apply for reinstatement.

(8) Reinstatement. Students may seek reinstatement of their course schedule by following the procedures outlined in this subsection.

(a) Requests for reinstatement. A request for reinstatement must be presented in writing to the Registrar's Office by the deadline given on the notice of cancellation mailed to the student. The request for reinstatement must include all documentation supporting the request. The Reinstatement Appeals Committee will evaluate the request based upon the criteria contained in this rule and notify the student in writing of its decision.

(b) Reinstatement Appeals Committee. A student whose course schedule has been canceled for non-payment may apply for reinstatement of the course schedule to the
Reinstatement Appeals Committee. The Committee shall consist of at least three staff members appointed annually by the President, and one student appointed by the FGCU Student Government Association. The Committee shall meet as required between the published last day to pay fees and six months after the end of the term for which the reinstatement is requested. The decision of the Committee shall be final.

(c) Criteria for Reinstatement. In evaluating a request for reinstatement, the Committee shall apply the following criteria:

1. Reinstatement shall be granted where it is demonstrated that the student's registration was canceled through University error.

2. Reinstatement shall be granted where the student submits documentation demonstrating that the student was prevented from making timely payment due to extenuating circumstances beyond the student's control. Examples of "extenuating circumstances" include:

   a. A student was unavoidably out of town during the week prior to the last day to pay fees, or

   b. A student was ill and unable to make payment prior to the last day to pay fees.

3. If a student's reinstatement is approved by the Reinstatement Appeals Committee, they must be reinstated for all courses for which they were originally registered.

(d) Where reinstatement is granted, the student shall take the written decision of the Committee to the Cashier's office, pay the fees which are due and complete the registration process with the Registrar's Office.

(9) Late Registration Fee.

(a) A late registration fee of $100 shall be assessed by the University when registration is initiated after the close of the regular registration period.

(b) The late registration fee shall be waived when:

1. The late registration was caused by a University error, or

2. The student was unavoidably out of town on the last day to register (documentation must be provided), or

3. The student was ill (documentation must be provided), or

4. The course was closed and the student was required to wait until classes started (written documentation from the instructor is required), or

5. The student was informed after the published last day to register that a course is necessary in order to graduate, be re-certified, or is a work related requirement (appropriate documentation must be provided).
(10) Late Payment Fee. A late payment fee of $100 shall be assessed by the University when:

(a) A student pays his/her fees after the published "last day to pay fees", and has been approved for reinstatement pursuant to this rule; or

(b) A dishonored check is redeemed after the last date to pay fees.

(11) University Loan Program Service Charge. In lieu of interest, a $10 service charge will be assessed to any student participating in the University loan program regardless of the amount of the loan. Students utilizing the university loan program must sign a promissory note which obligates them to the total loan amount including the $10 service charge for each loan issued.

(12) Fee Appeals. Students may appeal the assessment of fees and request refunds of tuition and fees to the Fee Appeals Committee according to procedures set forth in this subsection.

(a) Procedures. A student who seeks review of a fee assessed shall file a written appeal with the Registrar's Office. The appeal must set forth the basis for seeking a refund and attach all supporting documentation. An appeal must be filed no later than six months following the last day of the term during which the fees were incurred. For the purpose of this rule, summer terms are considered as one term.

(b) Fee Appeals Committee. The Fee Appeals Committee shall consist of at least three staff members who are appointed annually by the President, and one student appointed by the FGCU Student Government Association. The Committee shall meet as often as necessary to review and act upon appeals which come before it.

(c) Committee Determinations. Each appeal will be initially reviewed by the Registrar or designee. A decision will be made by the Registrar's Office according to criteria established by this rule. The decision shall be communicated in writing to the student within 60 days from the date the appeal was filed with the University. The FeeAppeals Committee shall consider only cases of those students who are appealing the initial decision made by the Registrar's Office. Students may appear in person before the Committee to present their appeal. The decision of the Committee is final.

(d) Criteria for Determining Fee Appeals. The criteria established by this rule shall govern decisions by the Registrar and the Fee Appeals Committee:

1. A fee appeal shall be granted when it is demonstrated that fees were paid as a result of University error.

2. A fee appeal shall be granted when it is demonstrated that the student was prevented from timely withdrawal from the University due to extenuating circumstances beyond the student's control. Extenuating circumstances include death of the student, or death in the immediate family (parent, spouse, child, sibling) of the student; illness of the student that is of long duration or severity, as confirmed in writing by a physician; or
involuntary call to military duty.

(13) Refunds. Refunds will be processed and mailed to the address shown on the Registrar's files to all students whose fee accounts show an overpayment after the published last day to pay fees. Students due a refund will not be required to submit a refund request to receive their refund because it will be automatically calculated. If there is a balance due to the University in the accounts receivable system, that amount will be deducted from any refund due. In addition, students shall be entitled to refunds in the following circumstances:

(a) 100% of tuition and course related fees will be refunded if notice of complete withdrawal or course withdrawal from the University occurs prior to the end of drop/add period.

(b) 25% of tuition and course related fees will be refunded if notice of withdrawal from ALL courses from the University occurs prior to the end of the fourth week of classes.

(c) Students who receive financial aid and subsequently change their enrollment status and this action results in a refund, may have all or a portion of their refund returned to the University's Financial Aid Office in accordance with the terms of their financial aid agreement.

(d) 100% of tuition and course related fees if a student withdraws or drops a course due to circumstances which are exceptional and beyond the control of the student.

Requests for fee adjustments must meet one of the conditions below to be considered:

1. Death of the student or immediate family member (parent, spouse, child or sibling) as confirmed by documentation indicating the student's relationship to the deceased. A death certificate is required.

2. Illness of student of such severity or duration to preclude completion of course(s). Written confirmation by a physician required.

3. A situation in which the University is in error as confirmed in writing by the appropriate Vice President.

(14) Deferred Payment Status. Deferred payment status for tuition and registration fees will be granted upon application by the student on the following grounds:

(a) Veterans shall be entitled to deferment in accordance with the provisions of Section 1009.27, F.S.

1. Each student granted a veteran's deferment shall sign a promissory note for the amount of registration and tuition fees due. The promissory note must be presented to the University Cashier's Office before the published last day to pay fees. Failure to present the promissory note by the deadline will result in the student being assessed the $100 late payment fee. If the student does not present an authorized deferment to the Cashier, including the $100 late fee, by the close of the fourth week of classes, the student's registration shall be canceled. The student may request reinstatement by
presenting an authorized VA deferment promissory note along with a $100 late registration/late payment fee in lieu of full payment of tuition and registration fees. (See the procedure outlined in Reinstatement.)

2. If an eligible student's educational benefits are delayed beyond the deferral period, (end of term for which they are enrolled) the deferment will be extended upon request by the student with written verification from the granting entity that the student is eligible to receive benefits and that benefits are being processed for payment. Upon receipt of written verification, the Registrar's Office shall approve the deferment and any request for extension. Additional extensions may be similarly granted until such time that the student begins receiving educational benefits. Failure of the veteran to pay the amount of the authorized deferment by the due date or extended date, whichever is later, will result in the student being assessed the $100 late registration/late payment fee.

(b) Third Party Billings. Deferment is permitted when formal contractual arrangements have been made with the University for payments by an approved third party. The University Controller or designee is responsible for negotiating such third party contracts.

(c) Delay in Financial Aid Delivery. Deferral of tuition and fees is permitted for those students receiving financial aid from federal, state, or University assistance programs when delivery of the aid is delayed through circumstances beyond the control of the student. Failure to make timely application for such aid shall be insufficient reason to receive such deferral. The Director of Financial Aid shall certify a student's eligibility for deferral to the University Controller or designee for each student for each academic term for which receipt of aid is delayed.

(d) Extraordinary circumstances exist and the deferment has the approval of the President or his designee.

6C10-7.004. Prompt Payment to Vendors.

(1) The following provisions relate to all purchase orders, agreements and contracts for the purchase of goods and services in accordance with Chapter 6C10-6, F.A.C., Purchasing.

(a) It is the policy of the University that payment of an invoice shall be made not later than forty (40) days after receipt of a proper invoice, receipt of goods at the location set forth on the purchase order or contract, and inspection and approval of the goods or services, except that in the case of a bona fide dispute the vendor shall be notified of the dispute and payment made only for the amount not in dispute.

1. For purposes of determining the date an invoice was received, the University will be deemed to have received an invoice on the date on which an invoice in the amount(s) and price(s) stipulated in the purchase order or contract and any written change order is first received at the location designated by the University. In cases where the vendor invoice is incorrect and the vendor is required to furnish a revised invoice, the receipt date of the revised invoice will be used.

2. The University will make partial payments to a vendor upon partial delivery of goods or services when a request for such partial payment is made by the contractor and approved by the Controller or designee as being in the best interests of the University.

3. In cases of disputes regarding issues other than invoice amounts, the vendor will be contacted and documentation will be maintained as to the date(s) and person(s) contacted. The invoice receipt date will be the date final resolution is reached.

4. If the terms of the invoice provide a discount for payment in less than forty (40) days, the University shall preferentially process it and use all diligence to obtain the savings by complying with the invoice terms.

5. Where the specific provisions of the contract, federal or state law alter the timeframe for making contractually required payments to a vendor or contractor, the University will process payments to meet the contractual or statutory timeframe.

(b) The University shall advance payments for goods and services including, but not limited to, maintenance agreements and subscriptions when it is in the best interests of the University to make payments in advance and it has been determined there is adequate protection to ensure that such goods or services will be provided.

(c) If a check in payment of an invoice is not issued within forty (40) days after receipt of a proper invoice and receipt, inspection and approval of the goods and services, the University upon a valid request will pay to the vendor, in addition to the amount of the invoice, an interest penalty at the rate established pursuant to Section 55.03(1), F.S., provided, however, that the interest penalty is in excess of one dollar ($1.00). The interest will be calculated on the unpaid balance from the expiration of the 40-day period until such time as the payment is issued to the vendor. Interest penalties will be
processed within 15 days after issuing the payment unless there are exigent circumstances. The provisions of this paragraph apply only to undisputed amounts for which payment has been authorized. The provisions of this paragraph do not apply to payments made to governmental entities of the State of Florida such as local governments and political subdivisions.

(d) All purchasing agreements between the University and a vendor shall include a statement of the vendor’s rights and the University’s responsibilities under this rule. The vendor’s rights shall include being provided with the telephone number of the University Vendor Ombudsperson who shall be the Vice President for Administrative Services or designee.

(e) Invoices must contain the vendor/contractor name, FEI number and purchase order or contract number. Vendors must have on file with the University a complete and accurate Internal Revenue Service Form W-9 or other acceptable form that provides all necessary data to determine 1099 status. Invoices will be deemed received when the vendor has supplied all information specified above.

(f) Invoices received from vendors shall be for the amount and pricing schedules set forth in the purchase order or contract unless the vendor has received a written change order.

(2) Construction Contracts -- For construction projects, the terms and conditions of the contract shall govern the timely payments to contractors for work satisfactorily completed.

REGULATION NUMBER(S) AND TITLE(S):
FGCU-ER-06-01 – Fall 2006 Tuition and Fees
FGCU-ER-06-02 – Fall 2006 Special Fees

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC, HEALTH, SAFETY OR WELFARE: The Florida Board of Governors Regulation Development Procedure for State University Boards of Trustees and Sections 1001.74(11) and 1009.24, F.S., require the FGCU Board of Trustees to establish University tuition and fees. Regulation FGCU-ER-06-01, Fall 2006 Tuition and Fees, increases in-state undergraduate tuition by three percent (3.0%), as required by the 2006-2007 General Appropriations Act, HB 5001. In addition, the regulation converts the health fee to a per credit hour amount of $6.03. The regulation lowers the repeat undergraduate course fee to $161.70 per credit hour, and it increases the transportation access fee to $7.00 per credit hour. In Regulation FGCU-ER-06-02, Fall 2006 Special Fees, references to the registration fees for zero-hours and audit courses are deleted. While time alone is not sufficient to justify an emergency, it is important to the fiscal welfare of the University and the State of Florida that the University implements the increased tuition and fees on time and in the proper manner, pursuant to the 2006-2007 General Appropriations Act, HB 5001, HB 5003, and the Florida Board of Governors Regulation Development Procedure for State University Boards of Trustees. It is necessary, therefore, to adopt this regulation by emergency regulationmaking to comply with the University’s legal obligations.

REASONS FOR CONCLUDING THAT THE PROCEDURE USED IS FAIR UNDER THE CIRCUMSTANCES: The FGCU Board of Trustees will consider the proposed emergency regulations at its June 20, 2006 meeting which begins at 8:30 AM in the Student Union Ballroom (Room 203-B) at FGCU, 10501 FGCU Blvd, South, Fort Myers, FL 33965-6565. This meeting will be publicly noticed and interested parties will be given an opportunity to comment upon the regulations at the meeting in accordance with the Board’s Bylaws. The emergency regulation also is being noticed on May 19, 2006, and the full text of the rule is published on the University’s website at www.fgcu.edu/generalcounsel/governance.html. In addition, the University has already begun promulgation procedures to update the permanent tuition and fee and special fee regulations, Regulations 6C10-7.001 and 6C10-7.003, F.A.C. The Board also will approve the permanent regulations at the June 2006 meeting. The proposed text and fee structure of the permanent and emergency regulations are identical to each other.

(2)(b) Repeat course fee. A student enrolled in the same undergraduate course more than twice shall be assessed an additional $161.70 per credit hour charge for each such course. A student enrolled in the same college preparatory course more than twice shall be assessed an additional $188.40 per credit hour charge for each such course.

(3) Payments on Accounts Due the University. Charges against a student's account for loss or breakage of University equipment, lost books, library or parking fines and other related charges are due immediately. University policy prohibits registration, or release of transcript and diploma for any student whose account with the University is delinquent.

(4) Registration occurs when a student:

(a) Selects one or more credit courses approved and scheduled by the University; and
(b) Pays tuition and fees, partial or otherwise, or makes other appropriate arrangements for tuition payment (deferment, or third party billing) for the courses in which the student is enrolled as of the end of the drop/add period. The University does not have a plan for installment payment of fees.

(5) Payment. Tuition and registration fees must be paid in full by the date designated in the University Student Schedule and Fee Statement as the "last date to pay fees" for each semester. Payments shall be made at the Cashier's Office or by mail and received no later than that date. The President or designee will extend the deadline for fee payment when payment by the student is delayed due to University action or inaction.

(6) Liability for payment of tuition is incurred at the point at which the student has completed registration. Students are liable for all fees associated with all courses in which they are registered at the end of the drop/add period.

(7) Cancellation of Registration. A student's course schedule shall be canceled when tuition has not been paid in full or when arrangements for payment have not been made through the Office of Financial Aid or the Cashier's Office. By the published "last date to pay fees" students awaiting receipt of financial aid must pay any additional amount due before the end of the last day to pay fees to prevent cancellation of the course schedule. A student whose course schedule has been canceled cannot thereafter attend classes and will not obtain credit for courses. A student whose course schedule has been canceled will be mailed written notice of cancellation to his/her last known address on record and be given a deadline by which he/she may apply for reinstatement.

(8) Reinstatement. Students may seek reinstatement of their course schedule by following the procedures outlined in this subsection.

(a) Requests for reinstatement. A request for reinstatement must be presented in writing to the Registrar's Office by the deadline given on the notice of cancellation mailed to the student. The request for reinstatement must include all documentation supporting the request. The Reinstatement Appeals Committee will evaluate the request based upon the criteria contained in this rule and notify the student in writing of its decision.

(b) Reinstatement Appeals Committee. A student whose course schedule has been canceled for non-payment may apply for reinstatement of the course schedule to the Reinstatement Appeals Committee. The Committee shall consist of at least three staff members appointed annually by the President, and one student appointed by the FGCU Student Government. The Committee shall meet as required between the published last day to pay fees and six months after the end of the term for which the reinstatement is requested. The decision of the Committee shall be final.

(c) Criteria for Reinstatement. In evaluating a request for reinstatement, the Committee shall apply the following criteria:

1. Reinstatement shall be granted where it is demonstrated that the student's registration was canceled through University error.
2. Reinstatement shall be granted where the student submits documentation demonstrating that the student was prevented from making timely payment due to extenuating circumstances beyond the student's control. Examples of "extenuating circumstances" include:

a. A student was unavoidably out of town during the week prior to the last day to pay fees, or

b. A student was ill and unable to make payment prior to the last day to pay fees.

3. If a student's reinstatement is approved by the Reinstatement Appeals Committee, they must be reinstated for all courses for which they were originally registered.

(d) Where reinstatement is granted, the student shall take the written decision of the Committee to the Cashier's office, pay the fees which are due and complete the registration process with the Registrar's Office.

9) Late Registration Fee.

(a) A late registration fee of $100 shall be assessed by the University when registration is initiated after the close of the regular registration period.

(b) The late registration fee shall be waived when:

1. The late registration was caused by a University error, or

2. The student was unavoidably out of town on the last day to register (documentation must be provided), or

3. The student was ill (documentation must be provided), or

4. The course was closed and the student was required to wait until classes started (written documentation from the instructor is required), or

5. The student was informed after the published last day to register that a course is necessary in order to graduate, be re-certified, or is a work related requirement (appropriate documentation must be provided).

10) Late Payment Fee. A late payment fee of $100 shall be assessed by the University when:

(a) A student pays his/her fees after the published "last day to pay fees", and has been approved for reinstatement pursuant to this rule; or

(b) A dishonored check is redeemed after the last date to pay fees.

11) University Loan Program Service Charge. In lieu of interest, a $10 service charge will be assessed to any student participating in the University loan program regardless of the amount of the
loan. Students utilizing the university loan program must sign a promissory note which obligates them to the total loan amount including the $10 service charge for each loan issued.

(12) Fee Appeals. Students may appeal the assessment of fees and request refunds of tuition and fees to the Fee Appeals Committee according to procedures set forth in this subsection.

(a) Procedures. A student who seeks review of a fee assessed shall file a written appeal with the Registrar's Office. The appeal must set forth the basis for seeking a refund and attach all supporting documentation. An appeal must be filed no later than six months following the last day of the term during which the fees were incurred. For the purpose of this rule, summer terms are considered as one term.

(b) Fee Appeals Committee. The Fee Appeals Committee shall consist of at least three staff members who are appointed annually by the President, and one student appointed by the FGCU Student Government. The Committee shall meet as often as necessary to review and act upon appeals which come before it.

(c) Committee Determinations. Each appeal will be initially reviewed by the Registrar or designee. A decision will be made by the Registrar's Office according to criteria established by this rule. The decision shall be communicated in writing to the student within 60 days from the date the appeal was filed with the University. The Fee Appeals Committee shall consider only cases of those students who are appealing the initial decision made by the Registrar's Office. Students may appear in person before the Committee to present their appeal. The decision of the Committee is final.

(d) Criteria for Determining Fee Appeals. The criteria established by this rule shall govern decisions by the Registrar and the Fee Appeals Committee:

1. A fee appeal shall be granted when it is demonstrated that fees were paid as a result of University error.

2. A fee appeal shall be granted when it is demonstrated that the student was prevented from timely withdrawal from the University due to extenuating circumstances beyond the student's control. Extenuating circumstances include death of the student, or death in the immediate family (parent, spouse, child, sibling) of the student; illness of the student that is of long duration or severity, as confirmed in writing by a physician; or involuntary call to military duty.

(13) Refunds. Refunds will be processed and mailed to the address shown on the Registrar's files to all students whose fee accounts show an overpayment after the published last day to pay fees. Students due a refund will not be required to submit a refund request to receive their refund because it will be automatically calculated. If there is a balance due to the University in the accounts receivable system, that amount will be deducted from any refund due. In addition, students shall be entitled to refunds in the following circumstances:

(a) 100% of tuition and course related fees will be refunded if notice of complete withdrawal or course withdrawal from the University occurs prior to the end of drop/add period.
(b) 25% of tuition and course related fees will be refunded if notice of withdrawal from ALL courses from the University occurs prior to the end of the fourth week of classes.

(c) Students who receive financial aid and subsequently change their enrollment status and this action results in a refund, may have all or a portion of their refund returned to the University's Financial Aid Office in accordance with the terms of their financial aid agreement.

(d) 100% of tuition and course related fees if a student withdraws or drops a course due to circumstances which are exceptional and beyond the control of the student. Requests for fee adjustments must meet one of the conditions below to be considered:

1. Death of the student or immediate family member (parent, spouse, child or sibling) as confirmed by documentation indicating the student's relationship to the deceased. A death certificate is required.

2. Illness of student of such severity or duration to preclude completion of course(s). Written confirmation by a physician required.

3. A situation in which the University is in error as confirmed in writing by the appropriate Vice President.

(14) Deferred Payment Status. Deferred payment status for tuition and registration fees will be granted upon application by the student on the following grounds:

(a) Veterans shall be entitled to deferment in accordance with the provisions of Section 1009.27, F.S.

1. Each student granted a veteran's deferment shall sign a promissory note for the amount of registration and tuition fees due. The promissory note must be presented to the University Cashier's Office before the published last day to pay fees. Failure to present the promissory note by the deadline will result in the student being assessed the $100 late payment fee. If the student does not present an authorized deferment to the Cashier, including the $100 late fee, by the close of the fourth week of classes, the student's registration shall be canceled. The student may request reinstatement by presenting an authorized VA deferment promissory note along with a $100 late registration/late payment fee in lieu of full payment of tuition and registration fees. (See the procedure outlined in Reinstatement.)

2. If an eligible student's educational benefits are delayed beyond the deferral period, (end of term for which they are enrolled) the deferment will be extended upon request by the student with written verification from the granting entity that the student is eligible to receive benefits and that benefits are being processed for payment. Upon receipt of written verification, the Registrar's Office shall approve the deferment and any request for extension. Additional extensions may be similarly granted until such time that the student begins receiving educational benefits. Failure of the veteran to pay the amount of the authorized deferment by the due date or extended date, whichever is later, will result in the student being assessed the $100 late registration/late payment fee.

(b) Third Party Billings. Deferment is permitted when formal contractual arrangements have been
made with the University for payments by an approved third party. The President or designee is responsible for negotiating such third party contracts.

(c) Delay in Financial Aid Delivery. Deferral of tuition and fees is permitted for those students receiving financial aid from federal, state, or University assistance programs when delivery of the aid is delayed through circumstances beyond the control of the student. Failure to make timely application for such aid shall be insufficient reason to receive such deferral. The Director of Financial Aid shall certify a student's eligibility for deferral to the University Controller or designee for each student for each academic term for which receipt of aid is delayed.

(d) Extraordinary circumstances exist and the deferment has the approval of the President or his designee.
